Starting the Journey: Introducing Dissemination and Implementation Research

**Tuesday, August 19
12 - 1pm (CT)**

via Zoom

The Center for Clinical and Translational Science (CCTS) presents ExpeDITlons, a monthly forum to engage in discussion about how effective interventions, new clinical paradigms, and policy changes are communicated and integrated into clinical, community, and public health practices. This series provides training opportunities, showcases exciting research, and provides a collaborative environment for attendees across the CCTS Partner Network, with a focus on advancing the science to deliver discoveries more efficiently to routine care settings.

Join us via Zoom on Tuesday, **August 19th from 12-1 PM (CT)** for an engaging discussion focusing on Dissemination and Implementation (D&I) research. Presenters include **Dr. Bertha Hidalgo, Dr. Larry Hearld, and Dr. Renee Heffron.**
