

# Dissemination and Implementation Science

Center for Clinical and Translational Science

## CCTS

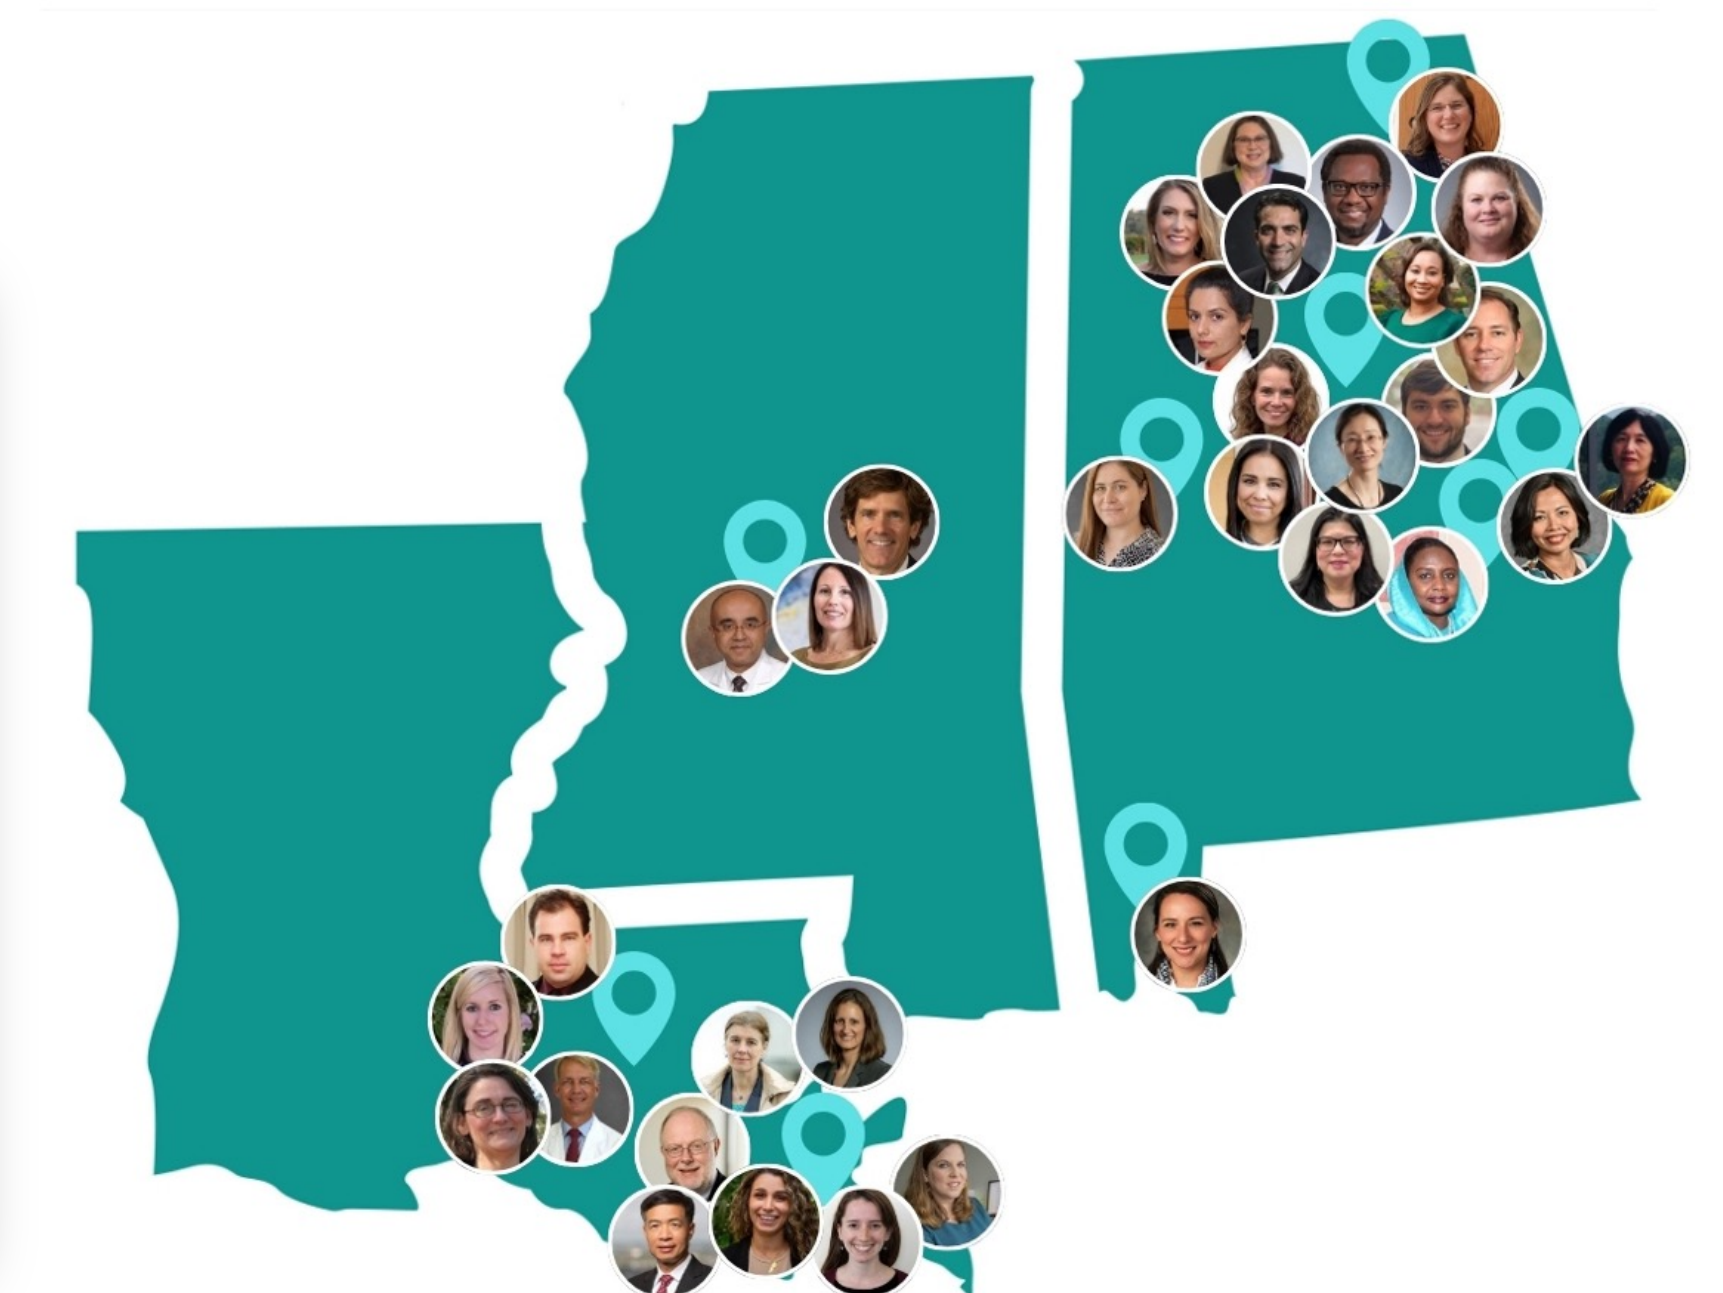

**CCTS Dissemination and Implementation Science** raises awareness, adoption and integration of evidence-based practices, interventions, and policies into routine health care and public health settings to improve the impact on population health.

### CCTS Section for D&I Science Team

## Administration & Resources

- Lead 5 Unit CCTS D&I Science Section (pictured, left)
- Lead CCTS Partner Network D&I Council (pictured, right)
- 35 members across 11 partner network institutions

## Collaborative Events

- CCTS ExpeDITions (Monthly)
- CCTS Translational Science Symposium (Fall)
- UAB Annual D&I Research Meeting (Spring)

## Consultation & Research Advising

- “Front door” to request D&I Science consultation

*Scan to request a consultation*

## Training

- CCTS D&I NIH T32 post-doc (5 slots)
- Getting to Implementation (GTI) teach course
- D&I Science journal club (monthly)

## Scholarship & Continuous Learning

- iCorps@NCATS
- UAB IS Certificate launched Fall '25
- CCTS D&I “short course” in development

## CCTS Connects

- Partners with the **CCTS Training Academy** to support D&I science trainings.
- Partners with **CCTS Engagement of Communities** to support community-engaged D&I science.
- Elevates awareness of and access to D&I science resources across the **CCTS Partner Network**.
