Stericycle Hazardous Materials Shipping Manifest Instructions

A pre-signed manifest serves as the signature required for medical waste pickups by Stericycle. Please complete the following fields:

- Date: enter the date of the scheduled pickup
- **Customer Location:** include the building and room number of the pickup
- Account Number: find this on Stericycle QR code labels after "Ship To"
- **Container Type**: list the type and quantity of containers
 - o TB01- gray bin
 - US43- fiberboard box
 - Sharps-list only if the container is too large to fit inside of a TB01 or US43
- Print/Type Name & Blazer ID: enter your Blazer ID
- Authorized Signature: this can be a printed or an electronic signature
- **Red-marked boxes:** these are for Stericycle use only and should not be filled in

Training requirement: the signer must take Medical Waste Management for Labs (BIO301L) prior to generating, handling, or signing for medical waste

Final steps: place a copy of the pre-signed manifest on the TB01 transfer container

AND email the pdf to medwaste@uab.edu

Contact EHS at 934-2487 for any questions
