A red arrow points from a black circle with the letter 'A' to the 'Poll Everywhere' link.

5. After clicking the link, ensure the **form information [A]** is correct and click the red button **Sign up for my Poll Everywhere Account [B]** located at the bottom of the screen.

# Poll Everywhere

The screenshot shows the Poll Everywhere sign-up page. At the top, there is a navigation bar with the Poll Everywhere logo and links for 'How it works', 'Pricing', 'Support', 'Enterprise', 'Log in', and 'Sign up'. Below the navigation bar is a dark grey header with the text 'Poll Everywhere sign up' and 'This is your last stop before you're able to respond to polls.' The main form area contains three input fields: 'First name' with 'Instructor Name' entered, 'Last name' with 'Instructor Name' entered, and 'Email' with 'Instructor@uab.edu' entered. A red arrow labeled 'A' points to the first and last name fields. Below the form is a checkbox with the text 'I consent to my personal data being processed by Poll Everywhere and their third party vendors during the use of the Poll Everywhere service as per Terms of Service and Privacy Policy'. A red arrow labeled 'B' points to the 'Sign up for my Poll Everywhere account' button at the bottom of the form.

Poll Everywhere   How it works   Pricing   Support   Enterprise   Log in   Sign up

## Poll Everywhere sign up

This is your last stop before you're able to respond to polls.

**First name**  
Instructor Name

**Last name**  
Instructor Name

**Email**  
Instructor@uab.edu

I consent to my personal data being processed by Poll Everywhere and their third party vendors during the use of the Poll Everywhere service as per Terms of Service and Privacy Policy

Sign up for my Poll Everywhere account

6. The registration process will automatically complete and take you to the Poll Everywhere website. Faculty can then log-in from polleverywhere.com without navigating to BlazerNet.

The screenshot displays the Poll Everywhere web interface. At the top, there is a dark navigation bar with a plus sign, the word "Polls", and links for "Participants", "Reports", and "Help". On the right side of the navigation bar, there is a "New features" indicator and a user profile for "TYLERWELDON796" with a settings gear icon.

Below the navigation bar, there are two main buttons: a red "Create" button and a white "Import" button. To the right of these buttons are "Group" and "Ungroup" buttons, and a search box labeled "Search by title".

The main content area shows a list of polls. The first poll is "Ungrouped" with 7 activities. The second poll is "New Group" with 1 activity. Below the list, there are links for "Account polls" and "Examples".

At the bottom of the interface, there is a section titled "Download the app" with the text: "Use the app to embed polls in your slides. Select your presentation software to start the download." Below this text are two options: "PowerPoint" and "Google Slides", each with a corresponding icon.
