

Enabling Simple Syllabus in Your Canvas Course

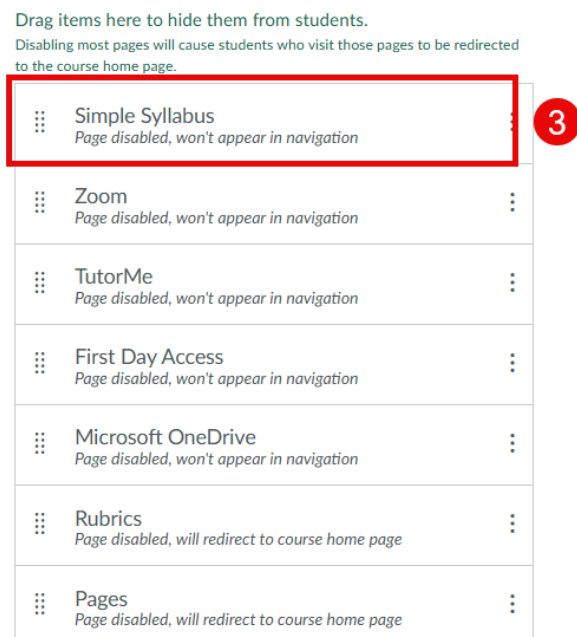

If Simple Syllabus is not visible in your left-hand course navigation, you will need to enable it via the course settings. Follow the instructions below to enable and make visible Simple Syllabus in your course.

1. Select “Settings” from the left-hand course navigation.

2. Select “Navigation” from the horizontal menu.

3. Locate “Simple Syllabus” from the second column of items.

Drag and drop items to reorder them in the course navigation. **A**

	Home	
	⋮ Syllabus ⋮	
4	⋮ Simple Syllabus ⋮	
	⋮ Announcements ⋮	
	⋮ Modules ⋮	

- Click the vertical, parallel sequence of dots next to “Simple Syllabus,” and drag the rectangle to the top column of items located under the text “Drag and drop items to reorder them in the course navigation” (A).

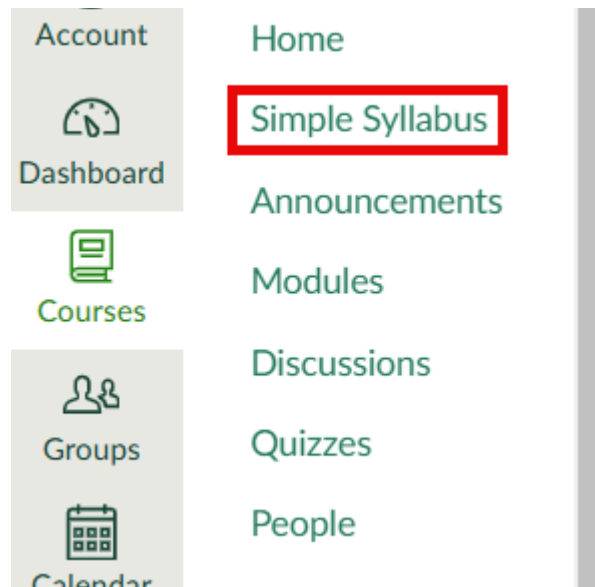

Drag items here to hide them from students. **A**
 Disabling most pages will cause students who visit those pages to be redirected to the course home page.

5	⋮ Syllabus ⋮ <i>Page disabled, will redirect to course home page</i>
	⋮ Zoom ⋮ <i>Page disabled, won't appear in navigation</i>
	⋮ TutorMe ⋮ <i>Page disabled, won't appear in navigation</i>

- If “Syllabus” is present in the top column (as depicted in the numeral 4 screenshot), click and drag the “Syllabus” rectangle to the bottom column of items located under the text “Drag items here to hide them from students.”

6. Select “Save” at the bottom of the page.

7. Simple Syllabus will now be visible and enabled in your left-hand course navigation.
