

J-2 dependents can obtain work authorization from the Department of Homeland Security. The work may be of any kind, on- or off-campus. Their income from the work **must not** be for the support of the J-1 student or scholar to whom the J-2 is related. J-2s may work only if the income is to be used for their own support (and perhaps that of other people in the family).

Re: Application for Work Authorization for J-2 Dependent

To Whom It May Concern:

I am the J-2 dependent of J-1 exchange visitor (insert name of J-1), and I am writing to request authorization to work. My (spouse/father/mother) receives (salary, stipend, grant, etc.) from (source of funds) sufficient to provide for all of (his/her) expenses. I want to be employed to provide for my own expenses (and those of my child/children). Any income from my employment will be used exclusively for my support (and that of my child/children) and not for supporting my (spouse/parent).

Enclosed are photocopies of my Forms DS-2019(s) and my J-1 relative's Forms DS-2019(s), Forms I-94, and biographical and visa passport pages of our current passports.

Sincerely yours,
