TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

Participant-Informed Study Design with ResearchMatch | Learn how the ResearchMatch Expert Advice Tool gathers input from potential participants to improve study design, boost recruitment, and enhance engagement. Discover real-world use cases and how your team can access this tool, built by the Recruitment Innovation Center and available through the Trial Innovation Network. **June 18, 11am-12pm via Zoom.** [More info](#), [register now](#).

Need Healthy Donor Samples? | UAB investigators can request fresh blood samples from healthy adult volunteers through the UAB Healthy Donor Cohort, a partnership of the UAB HSOM Immunology Institute and the CCTS. Immunology Institute staff can provide guidance on IRB protocol submissions/amendments to investigators interested in requesting samples. [Learn more online](#) or email ltompson@uabmc.edu.

Status is everything! | Complete the IRAP Industry Sponsored Clinical Trial Current Status Tool Course, which provides a step-by-step guide for checking the status of your Industry Sponsored Clinical Trial. [Enroll here](#) and be up and running in less than 20 minutes. For additional training resources, visit the [Office of Research Training Hub](#).
