Date of shipment:

TO WHOM IT MAY CONCERN:

Package containing: Human blood samples for diagnostic purposes
Not toxic
Not dangerous
Non-infectious
Contains no animal by-products
Contains no tissue culture origin
Contains no animal material
Obtained directly from humans, not recombinant, not cultured

To use in medical diagnosis – packed in compliance with IATA packing instruction 650.
Value: 5,-USD for customs only.

Timely medical diagnosis depends on timely delivery of this human sample in less than 60 hours after it was received by the courier service handling the priority shipping.

When a problem arises, please contact the Medical Genomics Laboratory at 205-934-5562 as delay in customs may have an adverse impact on the diagnostics that need to be performed on the sample.
