

CURRICULUM VITAE

MARK N. HADLEY, MD, FACS

**Charles A. and Patsy W. Collat Endowed Professor of
Neurological Surgery**

**Department of Neurological Surgery
University of Alabama at Birmingham**

March 27, 2022

Mark N. Hadley, MD, FACS

Business Address: University of Alabama at Birmingham
Department of Neurological Surgery
510 – 20th Street South, FOT 1030
Birmingham, AL 35294-3410
205-934-1439 office
205-975-6081 fax
205-410-1804 cell
mnhadley@uabmc.edu

Home Address: 1792 Twin Bridge Drive
Birmingham, AL 35243
205-967-6678

Personal: Born February 14, 1956, San Francisco, CA
Wife: Lori Frances Hadley
Children: Christopher (32)
Jack (26)
Mollie (23)

Rank/Title:

- **Charles A. and Patsy W. Collat Endowed Professor, Department of Neurosurgery**
- **Professor, UAB Collat School of Business, MIDE program**

Hospital Appointments:

- University of Alabama at Birmingham Medical Center
- Veteran's Administration Hospital, Birmingham, AL
- Children's Hospital of Alabama

Military Experience:

- Major, United States Air Force, Active Duty July 1988 – June 1991
- Deployed, Gulf War, November 1990 – May 1991

EDUCATION:

Undergraduate: Stanford University, Stanford CA
August 1974 – June 1978
Bachelor of Arts in Economics

Graduate: Albany Medical College, Albany, NY
July 1978 – June 1982
Doctor of Medicine

Post-Graduate: University of California Davis Medical Center, Sacramento, CA

July 1982 – June 1983
General Surgery Internship

Post-Graduate: Barrow Neurological Institute
St. Joseph's Hospital and Medical Center, Phoenix, AZ
July 1983 – June 1988
Neurological Surgery Residency

Medical Licensure: California: G50404 (retired)
Arizona: 14786 (retired)
Alabama: 15626 (1991)

Specialty Board Certification: American Board of Neurological Surgery #92087
November 1992

Other: Fellow, American College of Surgeons
October 2000

PROFESSIONAL APPOINTMENTS:

Academic:

Charles A. and Patsy W. Collat Endowed Professor of Neurological Surgery
Department of Neurosurgery, Department of Surgery
University of Alabama at Birmingham
2006 - present

Professor, Marketing and Industrial Distribution (MIDE) Program
UAB Collat School of Business
University of Alabama at Birmingham
February 2009 – present

Professor, Neurological Surgery
Division of Neurosurgery, Department of Surgery
University of Alabama at Birmingham
October 1997 to 2006

Program Director Emeritus Neurological Surgery Residency Training Program
Department of Neurosurgery
University of Alabama at Birmingham
July 2018 – present

Director Neurological Surgery Residency Training Program
Division of Neurosurgery, Department of Surgery
University of Alabama at Birmingham
June 1, 2001 - 2018

Director Neurological Surgery Spine Fellowship Program
Division of Neurosurgery, Department of Surgery
University of Alabama at Birmingham
January 1995 – July 2009

Team Neurosurgeon
University of Alabama at Birmingham Athletic Program
January 1996 - 2010

Team Neurosurgeon

University of Alabama Football Program
January 1994 – December 1996

Associate Professor of Neurological Surgery

Division of Neurosurgery, Department of Surgery
University of Alabama at Birmingham
October 1, 1993 – September 1997

Director, Resident and Medical Student Education

Division of Neurosurgery, Department of Surgery
University of Alabama at Birmingham
September 1991 - January 1997

Medical Director

UAB, THINK FIRST, Head and Spinal Cord Injury Prevention Program Division of
Neurosurgery, Department of Surgery
University of Alabama at Birmingham
September 1991 – December 2002

Assistant Professor of Neurological Surgery

Division of Neurosurgery, Department of Surgery
University of Alabama at Birmingham
July 1, 1991 -September 1993

Assistant Director of Surgical Education

Department of Surgery, David Grant USAF Medical Center, Travis AFB, CA
January 1989 - June 1991

Chief of Neurological Surgery

David Grant USAF Medical Center, Travis AFB, CA
July 1988 - June 1991

Staff Neurosurgeon

North Bay Medical Center, Fairfield, CA
July 1988 - June 1991

HONORS:

- National Merit Scholarship, National Organization of Elks, 1974.
- National ranking in track and field, high school, 880 yd and mile runs.
- Athletic (Track) - Academic Scholarship to Stanford University, 1974-78
- Al Master's - Stanford University Scholastic - Athletic Award, 1978
- United States Air Force Health Professions Scholarship, 1979-1982.
- Mayfield Resident Spine Award - Joint (AANS/CNS) Section on Spinal Disorders: Congress of Neurological Surgeons Annual Meeting, New York City, October 1984
- Western Federation of Neurological Sciences Resident Prize: Western Federation Meeting, San Diego, CA, March 1987
- Rocky Mountain Neurosurgical Society Resident Prize: Rocky Mountain Neurosurgical Society Meeting, Deer Park, Utah, June 1987
- Dr. Leslie B. Smith Medal for distinguished educational achievement: Maricopa County Medical Society, Scottsdale, AZ, January 1988
- Department of the Air Force, Air Force Commendation Medal for Meritorious Service, August 1988 – July 1991.

- Alpha Omega Alpha Honor Society, Alumnus member, 2004
- Golden Key International Honor Society, 2007
- Charles A. and Patsy W. Collat Endowed Chair in Neurological Surgery, University of Alabama at Birmingham, 2006
- Director, American Board of Neurological Surgery, 2012 to present
- United States Congressional Recognition for Contribution to the Updated Guidelines for the Management of Acute Cervical Spine and Spinal Cord Injuries, September 27, 2013
- Charles A. and Patsy W. Collat Friend of MIDE Award for Outstanding Teaching and Student Engagement, UAB Collat School of Business, Department of Marketing, Industrial Distribution and Economics, 2014.
- Inclusion in *America's Top Doctors 2001 - 2022*, by Castle Connolly, New York
- Top 1% in Specialty, Neurosurgery, US News and World Report 2011-2016.
- W. Jerry Oakes Resident Teaching Award, Department of Neurosurgery, 2016.
- Alden March Outstanding Surgical Alumnus, Albany Medical College, May 2017.
- Charles Eckert Distinguished Lecturer, Albany Medical College, September 2018.
- Congress of Neurological Surgeons Distinguished Service Award, October 2018.

PROFESSIONAL MEMBERSHIPS:

- Aequanimitas Neurosurgical Society
- Alpha Omega Alpha Honor Society
- American Academy of Neurological Surgery
- American Association of Neurological Surgeons
- Society of Neurological Surgeons
- American Medical Association
- American College of Surgeons
- Congress of Neurological Surgeons
- AANS/CNS Section on Disorders of the Spine and Peripheral Nerves
- AANS/CNS Section on Trauma and Critical Care
- Golden Key International Honor Society
- Medical Association of the State of Alabama
- Neurosurgical Society of Alabama
- Southern Neurosurgical Society

PROFESSIONAL SOCIETY PARTICIPATION:

American Board of Neurological Surgery

- Director, 2012-2018
- Chair, Primary (Written) Examination Committee, 2013-2015
- Chair, Professional Conduct Committee, 2015 – 2018
- Vice-Chairman ABNS, 2017-2018.

American Academy of Neurological Surgery

- Executive Committee (Ex-Officio), 2006 – 2014
- Executive Committee, 2014 - 2018
- Future Sites Committee Chair, 2006 – 2014
- Local Arrangements Chair, 2011, 2014
- President-Elect, 2014-15
- President, 2015-16

American Association of Neurological Surgeons

- Journal of Neurosurgery Spine Editorial Board, 2008-2017.
- JNS Publishing Task Force, 2010

- JNSPG Advisory Committee, 2010 – 2015
- JNSPG Advisory Committee Chair, 2015- 2017

Congress of Neurological Surgeons

- Sergeant at Arms Committee: 1986-88
- Host Committee: 1986, 1988, 1989 (co-chairman), 1992.
- Committee on Education
 - Subcommittee on Self-Assessment and Sponsorship: 1988 - 2000
(Chairman, 1993 – 1997)
 - Subcommittee on Research: 1988 – 1998
- General Scientific Committee: 1988 to 1992
- Public Relations Committee: 1989
- Videotape Library (Chairman): October 1989 to 1991
- Publications Committee: 1992 to 1999
- Annual Meeting Exhibits Chairman, 1994 – 2000
- Executive Committee, October 1, 1994 to 2004
- Scientific Program Chairman, Annual Meeting, 1996-1997
- Annual Meeting Chairman, Annual Meeting, 1997-1998
- Secretary, Congress of Neurological Surgeons, 1997 through 2000
- Vice President, Congress of Neurological Surgeons, 2000-2001
- President-Elect, Congress of Neurological Surgeons, 2001-2002
- President, Congress of Neurological Surgeons, 2002-2003
- Immediate Past President, Congress of Neurological Surgeons, 2003-2004
- Chairman, Professional Conduct Committee, 2003-2004
- Co-Chairman, PARC, 2010 – 2014
- Director, CNS Foundation, 2013 to 2015.
- *NEUROSURGERY* Editorial Board, 1999-2021.
- *NEUROSURGERY* Publishing Task Force, 2015-2016.
- *NEUROSURGERY* Journal Governance Committee, Chair, 2015-present.

American College of Surgeons

- Advisory Council for Neurological Surgery, 2001 – 2006

AANS/CNS Section on Disorders of the Spine and Peripheral Nerves

- Spine and Spinal Cord Injury Guidelines Committee Chairman, 2000 –2002
- Executive Committee: 1989, 1992 – 1999
- Annual Meeting Exhibits Chairman: 1989-90, 1992-1995
- Awards Committee Chairman: 1993-1995
- Rules and Regulations Committee Chairman 1995-1998

National THINK FIRST Head and Spinal Cord Injury Prevention Program

- National Fundraising Chairperson, 1994-1995

Society of Neurological Surgeons

- Resident Curriculum/Matrix Task Force, 2006 to present
- Medical Student Education/Promotion Committee, 2014 - present

Southern Neurosurgical Society

- Exhibits Chairman: 1995 – 1997
- Executive Council: 1996 - 1998

UNIVERSITY ACTIVITIES:

University of Alabama at Birmingham

Program Director, Department of Neurological Surgery Residency Training Program, 2001 – 2018. (Now Emeritus)

Program Director, Division of Neurological Surgery Spinal Fellowship Training Program, 1995 – 2009

UAB Product and Technology Assessment Team (PTAT) 2009 – present; Chair 2019 to present.

Medical Director, THINK FIRST, Head and Spinal Cord Injury Prevention Program 1991–2002
Curriculum Committee, First and Second Year Medical Student Education, UAB School of Medicine, 1992 - 1998

Director Neurosurgery Clinic, Kirklin Clinic, 1994 - 2004

Director Kirklin Clinic Rehabilitation Services, 1993 – 1996

Director UAB/HSF Orthotics Laboratory, 1994 – 1999

Clinical Practice Committee, 1994 – 1998

Faculty Council, 1995 – 1998

TEACHING RESPONSIBILITIES:

Program Director Emeritus, Neurological Surgery Residency Training Program

Department of Neurosurgery, Department of Surgery, University of Alabama at Birmingham
July 1, 2018 - present

Director, Neurological Surgery Residency Training Program

Department of Neurosurgery, Department of Surgery, University of Alabama at Birmingham
June 1, 2001 – 2018

Provides monthly Program Director's teaching conference to neurosurgical residents, fellows, and rotating medical students.

Professor, UAB Collat School of Business

Medical Industrial Distribution Program and Economics Program, University Of Alabama at Birmingham, February 2009 – present

Director, Neurological Surgery Spine Fellowship Program

Division of Neurosurgery, Department of Surgery, University of Alabama at Birmingham
January 1995 - 2009

Faculty Instructor

Division of Neurosurgery Residency Training Program, University Of Alabama at Birmingham
July 1991 - present

Attending, UAB Resident's (Charity) Clinic

Neurosurgery Clinic Division of Neurosurgery, Kirklin Clinic, University of Alabama at Birmingham, July 1991 – 1999

Director, Resident and Medical Student Education

Division of Neurosurgery, Department of Surgery, University of Alabama at Birmingham
September 1991 -January 1997

Course Co-Director, Second Year Medical Student Neurosciences Course

University of Alabama at Birmingham School of Medicine, January 1993 - January 1997

Preceptor, Third Year Medical Student Neurology/Neurosciences Clerkship

September 1993 - 2003

Preceptor/Mentor, Masters of Science Candidate, Mohammad M. A. Hannoush
Department of Mechanical Engineering, Graduate School, University of Alabama at
Birmingham, January 1995 - January 1997

Neurosurgery Post-Graduate Spine Fellows Trained:

David M. Pryputniewicz, MD	July 2008 – June 2009
Richard A. S. Reid, MD	July 2007 – June 2008
Ryan P. Jewell, MD	July 2006 – June 2007
Jeffrey J. Laurent, MD	July 2005 – June 2006
Richard A.S. Reid, MD	Jan 2005 – July 2005
Benjamin R. Cohen, MD	July 2004 – June 2005
Patrick R. Pritchard, MD	July 2003 – June 2004
David A. Vincent, MD	July 2002 – June 2003
Bassam A. Hadi, MD	July 2001 – June 2002
John A. Sandin, MD	July 2000 – June 2001
Charles A. Wolff, MD	July 1999 – June 2000
Michael P. B. Kilburn, MD	July 1998 – June 1999
Putnam Wolcott, MD	July 1997 – June 1998
Patrick S. Chan, MD	July 1996 – June 1997
Carl Lauryssen, MD	July 1995 – June 1996

EDITORIAL BOARD ACTIVITY:

Editorial Board

- ***Journal of Neurosurgery: Spine, 2008 – 2017***
 - Senior Editor: 2014-2016
 - JNS PG Finance Committee member 2010-2017
- ***NEUROSURGERY, January 1999 – present***
 - ***NEUROSURGERY Journal Governance Committee Chairman 2017 - present***
- ***Spinal Surgery, Journal of the Japanese Society of Spinal Surgery, 2004 – 2008***
- ***Perspectives in Neurological Surgery. 1989 - 1992***
- ***Editor, Video Perspectives in Neurological Surgery, CNS-QMP Videotape Neuroscience Journal, 1990 - 1996***
- ***Editor, Perspectives in Neurological Surgery, 1993 - 1997***
- ***Editor, Self Assessment for Neurological Surgeons (SANS VI), American Association of Neurological Surgeons/Congress of Neurological Surgeons, 1993 – 1997***

Ad-hoc Editorial Board Activity

Journals:

Spine
Nutrition
Neurosurgery Clinics of North America
Techniques in Neurosurgery

Research:

Whitaker Foundation
AMA Diagnostic and Therapeutic Technology Assessment Grants

Advisory Board Activity

MD-PI Scientific Advisory Board

VISITING PROFESSORSHIPS:

Hadley MN. *The Surgical Treatment of Spinal Cord Pathology*. Visiting Professor, Emory University, Atlanta, Georgia, April 7-11, 1989

Hadley MN. *The Management of Vertebral Column Instability*. Visiting Professor, State University of New York, Buffalo, NY, October 11-14, 1989

Hadley MN. *The Experimental Results of Nimodipine in the Treatment of Focal Cerebral Ischemia*. Visiting Professor, State University of New York, Buffalo, NY. October 11-14, 1989

Hadley MN. *Maximization of a Neurosurgical Residency*. Visiting Professor, State University of New York, Buffalo, NY, October 11-14, 1989

Hadley MN. *Management of patients with chronic pain of malignant origin*. Visiting Professor, UCLA Medical Center, Los Angeles, CA, November 27, 1989

Hadley MN. *Traumatic Cervical Spine Injuries*. Visiting Professor, UCLA Medical Center, Los Angeles, CA November 27, 1989

Hadley MN. *Current concepts in the treatment of cerebrovascular disease*. Visiting Professor, Denver, Colorado, December 5, 1989

Hadley MN. *Advances in the Management of Cerebral Ischemia*. Visiting Professor, UCLA Neurosurgery Grand Rounds, UCLA Medical Center, Los Angeles, CA, January 3, 1990

Hadley MN. *The Transoral Approach to Superior Cervical Spine Pathology*. Visiting Professor, Allegheny General Hospital, Pittsburgh, PA, January 17, 1990

Hadley MN. *Spinal Stabilization and Fusion: Indications, Applications, Complications*. Visiting Professor, University of Alberta Medical School. Calgary, Alberta, Canada, May 11-14, 1995

Hadley MN. *Perfusion Pressure and Spinal Cord Procedures; Optimizing Neurological Outcome*. Visiting Professor, Washington University of St. Louis, St. Louis, MO, October 20-22, 1997

Hadley MN. *Lumbar Spinal Stenosis: Pathogenesis, Management and Surgical Treatment*. Visiting Professor, Washington University of St. Louis, St. Louis, MO, October 20-22, 1997

Hadley MN. *Contemporary Treatment Paradigms for Patients with Spinal Disorders*. Visiting Professor, Louisiana State University, Shreveport, LA, November 13-14, 1998

Hadley MN. *Contemporary Treatment Paradigms for Patients with Spinal Disorders*. Visiting Professor, University of Virginia Medical Center, Charlottesville, VA, March 6-7, 1999

Hadley MN. *Progeny: The Development of Neurosurgical Trainees*. John R. Green Honored Lectureship, Barrow Neurological Institute, Phoenix, AZ, February 9, 2000.

Hadley MN. *Acute Central Spinal Cord Injury Revisited: Contemporary Management Guidelines*. Northwestern University Medical School, Department of Neurosurgery. Chicago, IL, April 6-7, 2001.

- Hadley MN. *Blood Loss During Thoracolumbar Stabilization and Fusion. Management Considerations.* Northwestern University Medical School, Department of Neurosurgery. Chicago, IL, April 6-7, 2001.
- Hadley MN. *Acute Central Spinal Cord Injury Revisited.* J. Jay Keegan Memorial Lectureship, University of Nebraska College of Medicine, Omaha, NE, May 18, 2001.
- Hadley MN. *Guidelines for the Management of Cervical Spine and Spinal Cord Injuries.* Cleveland Clinic, Cleveland, Ohio, May 16-18, 2002.
- Hadley MN. *Medical Evidence-Based Guidelines on the Management of Acute Cervical Spine and Spinal Cord Injuries.* University of Wisconsin, Madison, WI, June 20-22, 2002
- Hadley MN. *Guidelines for the Management of Acute Cervical Spine and Spinal Cord Injuries.* University of Colorado, Department of Neurosurgery, Denver, CO, November 15, 2002.
- Hadley MN. *Intrathecal baclofen therapy for spasticity.* 23rd Annual Meeting of the Japanese Congress of Neurological Surgeons, Osaka, Japan, May 16, 2003.
- Hadley MN. *Perfusion pressure management in the perioperative treatment of spinal cord pathology.* 23rd Annual Meeting, Japanese Congress of Neurological Surgeons, Osaka, Japan, May 16, 2003.
- Hadley MN. *The far lateral approach to ventral thoracic spinal pathology.* 17th Microsurgical Anatomy Seminar for Neurosurgery, Osaka, Japan. May 19, 2003.
- Hadley MN. *Neurosurgery at a Professional Crossroads.* Honored Guest of the Texas Association of Neurological Surgeons, 2004 Annual Meeting, Austin TX, May 14-15, 2004.
- Hadley MN. *Medical Evidence-Based Guidelines on the Management of Acute Cervical Spine and Spinal Cord Trauma,* University of Virginia, Charlottesville, VA, September 10, 2004
- Hadley MN. *Neurosurgery at a Professional Crossroads.* The 10th David D. Weaver Lecture, University of Virginia, Charlottesville, VA, September 11, 2004.
- Hadley MN. *Medical evidence-based guidelines on the management of acute cervical spine and spinal cord injuries.* University of Pittsburgh, Department of Neurosurgery, April 27, 2005.
- Hadley MN. *The Far lateral approach to ventral thoracic spinal pathology.* University of Pittsburgh, Department of Neurosurgery, April 27, 2005.
- Hadley MN. *Guidelines for the performance of fusion procedures for degenerative disease of the lumbar spine.* University of Vermont, Burlington VT, June 2005.
- Hadley MN. *Medical evidence-based guidelines on the management of acute cervical spine and spinal cord injuries.* West Virginia University School of Medicine, Department of Neurosurgery, Morgantown, WV, June 23, 2006.
- Hadley MN. *Medical evidence-based guidelines on the management of acute cervical spine and spinal cord injuries.* Cruzamora Visiting Professor, University of Miami Department of Neurosurgery, January 11-12, 2007.

- Hadley MN. *Perfusion pressure in the perioperative management of spinal cord pathology*. Cruzamora Visiting Professor, University of Miami Department of Neurosurgery, January 11-12, 2007.
- Hadley MN. *Medical evidence-based guidelines on the management of acute cervical spine and spinal cord injuries*. Cedars-Sinai Department of Neurosurgery, Los Angeles, CA, March 2007.
- Hadley MN. *Perfusion pressure in the perioperative management of spinal cord pathology*. Cedars-Sinai Department of Neurosurgery, Los Angeles, CA, March 2007.
- Hadley MN. *Medical evidence-based guidelines on the management of acute cervical spine and spinal cord injuries*. Honored Guest, Rocky Mountain Neurosurgical Society Annual Meeting, Jackson Hole, WY, June 16-20, 2007.
- Hadley MN. *Perfusion pressure in the perioperative management of spinal cord pathology*. Honored Guest, Rocky Mountain Neurosurgical Society Annual Meeting, Jackson Hole, WY, June 16-20, 2007.
- Hadley MN. *Medical Evidence-Based Guidelines and the Practice of Spinal Surgery*. George T. Tindall Distinguished Professor, Department of Neurosurgery, Emory University, Atlanta, GA, July 21-22, 2011.
- Hadley MN. *Perfusion pressure in the perioperative management of spinal cord pathology*. George T. Tindall Distinguished Professor, Department of Neurosurgery, Emory University, Atlanta, GA, July 21-22, 2011.
- Hadley MN. *Medical Evidence-Based Guidelines and the Practice of Spinal Surgery*. Department of Neurosurgery, Case Western Reserve University, Cleveland, OH, February 7, 2012.
- Hadley MN. *Perfusion pressure in the perioperative management of spinal cord pathology*. Case Western Reserve University, Cleveland, OH, February 8, 2012.
- Hadley MN. Bronson Ray Lecture, Visiting Professor, *Bone Healing, Fusion, and Bone Morphogenetic Proteins in Spinal Surgery*. Weill Cornell Medical College, New York, NY, May 8, 2013.
- Hadley MN. *Bone Healing, Fusion, and Bone Morphogenetic Proteins in Spinal Surgery*. Visiting Professor, Mayo Clinic, Rochester, MN, December 3-4, 2013.
- Hadley MN. *Perfusion Pressure Management in the Peri-operative Treatment of Spinal Cord Pathology*. Visiting Professor, University of California San Francisco, May 29, 2014.
- Hadley MN. *Building an academic practice in spine surgery*. 1st Annual Andrew T. Parsa Memorial Symposium. Columbia University Department of Neurosurgery, New York, NY. May 29, 2015.
- Hadley MN. *Perfusion Pressure Management in the Peri-operative Treatment of Spinal Cord Pathology*. Visiting Professor, Department of Neurosurgery, NYU Langone Medical Center, New York, NY. June 6, 2014

- Hadley MN. *Perfusion Pressure Management in the Peri-operative Treatment of Spinal Cord Pathology*. 7th Annual Heilbrun Lecture, University of Utah School of Medicine, Salt Lake City, UT, June 12, 2015.
- Hadley, MD. *Professionalism*. Society of Neurological Surgery Boot Camp. Atlanta, GA, July 21-22, 2017.
- Hadley, MN. *The History and Future of Spinal Neurosurgery*. Instructor and lecturer, UAB Collat School of Business MID program. September 18, 2017.
- Hadley, MN. *Electrophysiological Monitoring and Spinal Surgery*. Invited presentation, 2017 Congress of Neurological Surgeons Annual Meeting. Boston, MA, October 8-11, 2017.
- Hadley, MN. *The Art and Ethics of Corporate Representation*. Instructor and lecturer, UAB Collat School of Business MID program. October 16, 2017.
- Hadley, MN. *Cigars, conversation, and the history of the AANS/CNS rapprochement*. Robert Heros Symposium Lecture. Miami, FL, October 21, 2017.
- Hadley, MN. Alden March Award Lecture. 2018 American College of Surgeons Annual Meeting, San Diego, CA, October 23, 2017.
- Hadley, MN. *Corporate Compliance and the Medical Legal System*. Instructor and lecturer, UAB Collat School of Business MID program. October 30, 2017.
- Hadley, MN. *Perfusion Pressure Management in the Treatment of Spinal Cord Pathology*. Gemelli Neurosurgical Institute, Visiting Professor, Rome Italy. May 19, 2018.
- Hadley, MN. *The Fear of Failure*. Temple University, Department of Neurosurgery, Visiting Professor. Philadelphia, PA, June 7, 2018.
- Hadley, MN. *Perfusion Pressure Management in the Treatment of Spinal Cord Pathology*. Temple University, Department of Neurosurgery, Visiting Professor. Philadelphia, PA, June 8, 2018.
- Hadley, MN. *Perfusion Pressure Management in the Treatment of Spinal Cord Pathology*. Department of Neurosurgery, Visiting Professor Grand Rounds, Cedars Sinai Medical Center: Los Angeles, CA. July 7, 2018.
- Hadley, MN. *Perfusion Pressure Management in the Treatment of Spinal Cord Pathology*. Department of Neurosurgery, Visiting Professor, Columbia University School of Medicine: New York, NY. August 16, 2018.
- Hadley, MN. *Evidence-based Medical Science in Neurological Surgery*. The Charles Eckert Distinguished Lecture, Albany Medical College Department of Surgery: Albany, NY. September 6, 2018.
- Hadley, MN. *Perfusion Pressure Management in the Treatment of Spinal Cord Pathology*. Visiting Professor Grand Rounds, Albany Medical College Departments of Neurosurgery and Neurology: Albany, NY, September 6, 2018.

Hadley, MN. *Bone Healing, Fusion, Bone Morphogenic Proteins (BMP) and Bone Morphogenetic Proteins (rhBMP) in Spinal Surgery*. Department of Neurosurgery, Visiting Professor Grand Rounds, Cedars Sinai Medical Center: Los Angeles, CA, December 5, 2018.

Hadley, MN. *Conduct, Professionalism, Relationships, and the Medical Legal Arena*. Visiting Professor, Mayo Clinic Jacksonville, Department of Neurosurgery, Jacksonville, Florida. February 18, 2019.

Dacey Symposium, Washington University, St. Louis, February 14-16, 2020.
Perfusion Pressure Management in the Treatment of Spinal Cord Pathology; Clinical, Laboratory, Human Clinical Trial.

Hadley, MN. CNS Nationwide Virtual Visiting Professor Grand Rounds, April 2020 (Zoom).
Perfusion Pressure Management in the Treatment of Spinal Cord Pathology.

Hadley, MN. Visiting Professor, Department of Neurosurgery, Vanderbilt University (Zoom).
Grand Rounds, May 2020.
Perfusion Pressure Management in the Treatment of Spinal Cord Pathology.

Hadley, MN. Visiting Professor, Department of Neurosurgery, University of Virginia (Zoom)..
Grand Rounds, September 2020.
Perfusion Pressure Management in the Treatment of Spinal Cord Pathology.

Hadley, MN:
Honored Guest of Louisiana State Neurosurgical Society 2021 Annual Meeting
January 16, 2021, 0800 – 1700 (Zoom)
Lecture: Perfusion Pressure Management Strategies in Spinal Cord Surgery.

Hadley, MN. Visiting Professor, Department of Neurosurgery, Charlotte Neurosurgery and Spine Atrium Health Medical Center. Grand Rounds, March 2022.
A Career Pursuit: Perfusion Pressure Management in the Treatment of Spinal Cord Pathology.

UAB Neurosurgery Hadley Lecture Series:

Department of Neurosurgery Faculty, Residents, Fellows, Medical Students.

- 2019-2020 “Fear of Failure”
 “Perfusion Pressure and the Spinal Cord:
 “rhBMP and Bone Healing, Fusion of the Spinal Column”
 “Operative Exposures to the Cervical Spine, Part 1”.
- 2020-2021: “Operative Exposures to the Cervical Spine, Part 2”.
 “Professionalism, Relationships and the Medical Legal Arena”.
 “Interfacet Fusion in Treatment of Spondylolisthesis of Lumbar Spine”.
 “Ankylosing Spondylitis and DISH, similarities and differences, difficulties”.

GRANT SUPPORT / FUNDING

Since Arrival at UAB July 1991

Evaluation of the long-term effects of surgical management of spinal cord perfusion strategies using a porcine spinal cord injury model. Floyd C and Hadley MN. **Department of Defense SCIRP SC150126, \$2,166,941.00, 10/01/16 - 09/30/2021.**

A Multicenter, Randomized Controlled Trial of Cerebrospinal Fluid Drainage in Acute Spinal Cord Injury. Hadley MN and Theodore N (PI). **Department of Defense SCIRP SC130237, \$1,653,933.77, 03/01/2013 - 02/28/2018.**

Perfusion Assessment using Diffusion-Perfusion MRI (dp-MRI) Following Acute Spinal Cord Injury. Hadley MN and Patwardhan RV (PI), University of Alabama at Birmingham, Birmingham, AL. IRB Protocol #F000901001, \$10,000. 1/2001 – 12/2001.

Amantadine to Improve Neuro-recovery in TBI. Grant #H133G80025 (PI: Jay Meythaler). National Institute on Disability & Rehab Research. 1998 -2001, \$121,292

Prospective Assessment of Continuous Infusion of Intrathecal Baclofen for Spasticity due to Cerebral Disorders. Research Agreement/Contract with Medtronic, Inc., Goleta, GA. 1997 -1999, \$120,000.

A Study Evaluating the Effects of the Osteogenic Protein Device on Neurological Tissue in a Canine Laminectomy and Posterolateral Fusion Model. MN Hadley, PI, University of Alabama at Birmingham, Stryker Biotech Inc., Boston, MA. 1997 –1998, \$139,000.

Radiographic and Clinical Outcome of Posterior Thoracolumbar Fusions Supplemented with Synthes Universal Instrumentation. MN Hadley, PI, University of Alabama at Birmingham, Synthes Spine, Paoli, PA. 1997 –1999, \$5,170.

Prospective Assessment of Intrathecal Baclofen in the Treatment of Spastic Hypertonia due to Acquired Brain Injury. JM. Meythaler, MN Hadley, University of Alabama at Birmingham, Medtronic Inc., Goleta, CA. 1995 - 1997, \$60,000.

Alternatives in Pedicle Hook Design for Thoracic Spinal Fixation-Experimental and Finite Element Analysis. Masters Thesis project: Mohammad M.A. Hannoush. MN Hadley, PI, University of Alabama at Birmingham, Acromed Corp, Cleveland, OH. 1995 –1997, \$10,000.

Grant Support prior to arrival at UAB

Therapeutic Management of Cerebral Ischemia in Primates. MN Hadley, RF Spetzler (PI). Barrow Neurological Institute, Phoenix AZ. NIH Grant # RO1NS20481-Ola3, \$900,000. 1985-1990

Induced Cardiac Arrest and Brain Ischemia. MN Hadley, D Rigamonti, RF Spetzler (PI), Barrow Neurological Institute, Phoenix, AZ. Arizona Disease Control Research Commission Grant, \$50,000. 1987- 1990

Identification of the Mechanisms of Traumatic Spinal Cord Injury. MN Hadley, VKH Sonntag (PI). Barrow Neurological Institute, Phoenix, AZ. Arizona Disease Control Research Commission Grant, \$25,000. June 1987 - May 1990

Comparative Peripheral Nerve Anastomoses: An analysis of microepineurial suture and CO2 laser anastomotic techniques. MN Hadley, AG Shetter (PI). Barrow Neurological Institute, Phoenix, AZ. Arizona Disease Control Research Commission Grant, \$18,000. October 1986- June 1988

Participation in Multi-Center Clinical Trials

A Randomized, Stratified Double-blinded, Multi-center Study of the Efficacy and Safety of SYGEN R. (GMT) vs. Placebo Following Standard Methylprednisolone Therapy in the Treatment of Acute Spinal Cord Injury. MN Hadley (co-investigator) UAB, Fred H. Geisler, Columbia, MD (PI). FIDIA Pharmaceutical Corp., Washington, DC. Initiated October 1992 – June 1997.

Surgery for Spinal Cord Compression Due to Cancer. MN Hadley (co-investigator) UAB, Roy Patchell, Lexington, KY (PI). University of Kentucky Research Foundation, Lexington, KY. September 1992 - December 1996

The National Acute Spinal Cord Injury Study (NASCIS II). MN Hadley, VKH Sonntag (co-investigators), Barrow Neurological Institute, Phoenix, AZ. NIH-Yale University sponsored study. June 1985 - June 1988

Internally Supported Clinical and Laboratory Research

The Aggressive Medical Resuscitation of the Spinal Cord Injured Patient, Hadley MN, Vale FL, Jackson AB. University of Alabama at Birmingham, Birmingham, AL 1992 –1996

Intraoperative Ondansetron vs. Placebo in the Prevention of Postoperative Nausea and Vomiting. Hadley MN (PI), Bernhard S, Mazak D, Rosner MJ. University of Alabama at Birmingham, November 1995 - November 1996

Evaluation of Blood Loss and Replacement During Thoracolumbar Stabilization Procedures. Hadley MN (PI), University of Alabama at Birmingham, Birmingham, AL June 2000 – June 2004. IRB Protocol Number X000504003.

Effects of Calcium Antagonists on Intracranial Pressure, a Primate Model. Hadley MN, Spetzler RF. Barrow Neurological Institute, Phoenix, AZ. 12/85 – 4/86

Comparative Transoral Dural Closure Techniques via the Transoral Approach in a Canine Model. Hadley MN, Martin NA, Spetzler RF. Barrow Neurological Institute, Phoenix, AZ. 5/85 – 10/85

Total Parenteral Nutrition versus Enteral Nutrition in Patients with Acute Head Injury. Hadley MN, Harrington T, Schiller WR. Barrow Neurological Institute, Phoenix, AZ, 6/84-6/85.

FUNDING: PUBLIC EDUCATION / INJURY PREVENTION

THINK FIRST, Head and Spinal Cord Injury Prevention Program University of Alabama Injury Prevention and Public Education Program directed at High School and Middle School Students throughout Alabama. (295 General Assemblies, 110,000 students reached in 1999-2001). \$706,000 to date which included: Alabama DOT grants of \$220,000.00, Barber's Dairies \$40,000, Barry, Bullock and Cook \$32,000, Am South Bank grant of \$150,000, Junior League of Birmingham \$41,000, and Southern Company \$140,000.00.

The Program encompasses the THINK FIRST program for high, middle schools, THINK FIRST Prom Time, co-sport. by Prom time sober, THINK FIRST FOR KIDS, elementary school program, HELMET HEADS, co-sponsored by Barber's Dairies, SAFE KIDS, co-sponsored by Barry, Bullock and Cook, and BUCKLE-UP BABY, co-sponsored by the Junior League of Birmingham.

BOOKS / VIDEO LESSONS PUBLISHED AS EDITOR

1. Hadley MN. (Editor, manual and video) Anterior approaches to the cervical spine. Cooper P, Sonntag VKH. *Video Perspectives in Neurological Surgery*. Volume 1, 1991.
2. Hadley MN. (Editor, manual and video) The Surgical Treatment of Median Nerve Entrapment at the Carpal Tunnel. Rengachary, S. *Video Perspectives in Neurological Surgery*. Volume 2, 1992.

3. Hadley MN. (Editor, manual and video) Surgery for Aneurysms of the Anterior Circulation. Batjer HH. *Video Perspectives in Neurological Surgery*, Volume 3, 1994.
4. Hadley MN. (Editor, manual and video) Surgical Management of Convexity Meningiomas. Dacey R. *Video Perspectives in Neurological Surgery*, Volume 4, 1994.
5. Hadley MN. (Editor, manual and video) Conventional and Microscopic Carotid Endarterectomy. Loftus C. *Video Perspectives in Neurological Surgery*. Volume 5, 1996.
6. Hadley MN, Sonntag VKH. The Surgical Treatment of Discogenic Disease of the Spine. *Neurosurgery Clinics of North America*. WB Saunders, Philadelphia, PA, 4(1), 1993.
7. Hadley MN, Barrow DL, (Editors). *Dialogues in Neurological Surgery*. Quality Medical Publishing, Inc., St. Louis, MO, 1995.
8. Hadley MN (Editor). Self-Assessment for Neurological Surgeons (SANS) VI. American Association of Neurological Surgeons: Park Ridge, IL. 1997.
9. Hadley MN, Walters BC, Grabb PA, Oyesiku NM, Przybylski GJ, Resnick DK, Ryken TC. Guidelines for the Management of Acute Cervical Spine and Spinal Cord Injuries. *Neurosurgery*, 50(3)(Supplement):S1-S199, 2002.
10. Resnick DK, Choudheri TF, Dailey AT, Groff MW, Khoo L, Matz PG, Mummaneni P, Watters WC III, Wang J, Walters BC, Hadley MN. Guidelines for the Performance of Fusion Procedures for Degenerative Disease of the Lumbar Spine. *J Neurosurg: Spine* 2(6):636-759, 2005.
11. Hadley MN, Walters BC, Aarabi B, Dhall SS, Gelb DE, Hurlbert RJ, Rozzelle CJ, Ryken TC, Theodore N. Guidelines for the Management of Acute Cervical Spine and Spinal Cord Injuries: *Neurosurgery*, 72:3(Supplement), 1-259, 2013.

BOOK CHAPTERS

1. Carter LP, Hadley MN, Spetzler RF. *Regional cortical blood flow during extra-intracranial bypass*. In: Spetzler RF, Carter LP, Martin NA, Selman WR (eds), Cerebral Revascularization for Stroke, Thieme-Stratton, Inc., New York, pp. 136-142, 1985.
2. Hadley MN, Masferrer R, Zabramski JM, Spetzler RF. *Management of vertebrobasilar insufficiency*. In Spetzler RF, Carter LP, Martin NA, Selman WR (eds), Cerebral Revascularization for Stroke, Thieme-Stratton, New York, pp. 475-482, 1985.
3. Hadley MN, Spetzler RF. *The transoral surgical approach to the craniocervical junction*. In: Samii M (ed), Surgery in and Around the Brainstem and Third Ventricle. Springer-Verlag, Inc., New York, pp. 67-475, 1986.
4. Spetzler RF, Hadley MN. *Revascularization of the brainstem and posterior fossa*. In: Samii M (ed), Surgery in and Around the Brainstem and Third Ventricle. Springer Verlag, Inc. New York, pp. 262-269, 1986.
5. Sonntag VKH, Hadley MN. *Treatment of thoracolumbar junction injuries*. In: Pitts L, Wagner F (eds): Cerebrospinal Trauma. Thieme Medical Publishers, Inc., New York, pp. 220-235, 1989.

6. Spetzler RF, Hadley MN. *Extracranial-intracranial bypass grafting: An update*. In: Wilkins R (ed) Neurosurgery Update. McGraw-Hill, 197-205, 1989.
7. Sonntag VKH, Hadley MN. *Management of upper cervical spinal instability*. In: Wilkins R(ed.) Neurosurgery Update. McGraw-Hill, 222-233, 1989.
8. Spetzler RF, Hadley MN. *Protection against cerebral ischemia: The role of barbiturates*. In Harper AM (ed), Cerebrovascular Brain Metab Review. Raven Press, New York, 1:212-229, 1989.
9. Spetzler RF, Hadley MN, Raudzens P. *Barbiturate therapy for brain protection during temporary vascular occlusion*. In: Weinstein PR, Faden AL (eds) Current Neurosurgical Practice: Protection of the Brain From Ischemia, Vol III. Williams & Wilkins, Baltimore, MD. Chapter 24:253-259, 1990.
10. Hadley MN. *Pediatric spine trauma*. In: Camins and O'Leary (eds) Disorders of the Cervical Spine. Williams and Wilkins, Baltimore, MD. p. 311-316, 1990.
11. Sonntag VKH, Hadley MN, Spetzler RF. *The transoral approach to the spine*. In: Schmidek, Sundaresen, Schiller, and Posenthal (eds), Tumors of the Spine. WB Saunders, Philadelphia, PA. pp. 319-328, 1990.
12. Spetzler RF, Hadley MN, Sonntag VKH. *Transoral approach to the upper cervical spine*. In: C. McCollister Evarts (ed), Surgery of the Musculoskeletal System, 2nd Edition, Churchill-Livingstone, New York, pp. 1817-1855, 1990.
13. Hadley MN. *Spinal orthoses*. In: Cooper P (ed.), Management of Post-Traumatic Spinal Instability Neurosurgical Topics AANS, 1:51-64, 1990.
14. Sonntag VKH, Hadley MN. *Traumatic upper cervical spinal instability*. In: Cooper P. (ed.) Management of Post-Traumatic Spinal Instability. Neurosurgical Topics AANS, 1: 99-110, 1990.
15. Sonntag VKH, Hadley MN. *Management of Facet Dislocations of the Cervical Spine*. In: Camins and O'Leary (eds) Disorders of the Cervical Spine. Williams and Wilkins, Baltimore, MD. 459-464, 1990.

Since arrival at UAB

16. Hadley MN. *Hypermetabolism following head trauma; Nutritional considerations*. In Barrow, DL (ed.): Complications and Sequelae of Head Injury. Neurosurgical Topics AANS, 1.3: 161-168, 1992.
17. Hadley MN. *Injuries to the Cervical Spine*. In: Rengachary S and Wilkins R (eds.) Principles of Neurosurgery, Gower Medical Publishing, New York, NY, 1993.
18. Hadley MN, Sonntag VKH. *Cervical Disc Herniations, The Anterior Approach. In the Surgical Treatment of Discogenic Disease of the Spine*. Neurosurgery Clinics of North America. WB Saunders, Philadelphia PA, 4(1):45-52, 1993.
19. Hadley MN, Frizzell T. *Lumbar Microdiscectomy with Medial Facetectomy*. Neurosurgery Clinics of North America. WB Saunders, Philadelphia, PA, Vol 4: 1, 109-115, 1993.

20. Hadley MN, Sonntag VKH. *Surgical complications of trauma to the spine*. In Post K, Friedman E, McCormick P (eds): Post-operative Complications in Neurological Surgery. Thieme, Berlin, 1993.
21. Hadley MN, Argires, PJ. *The Acute/Emergent Management of Vertebral Column Fracture/Dislocation Injuries*. Neurological Emergencies. The American Association of Neurological Surgeons, Vol. II, 249-262 1994.
22. Sonntag VKH, Hadley MN. *Management of Upper Cervical Spinal Instability*. In: Wilkins R Rengachary S (eds) Neurosurgery. Second Edition. McGraw-Hill, 1995.
23. Spetzler RF, Hadley MN. *Extracranial to Intracranial Bypass Grafting*. In: Wilkins R. Rengachary S. (eds) Neurosurgery. Second Edition. McGraw-Hill, 1995
24. Hadley MN, Sonntag VKH. *Cervical disk herniations: the anterior operative approach without interbody fusion*. In: Menezes and Sonntag VKH (eds) Principles of Spinal Surgery. McGraw-Hill, Ch. 32, 531-538, 1996.
25. Rauzzino M, Hadley MN. *Pediatric Spinal Cord Injuries*. In: Menezes and Sonntag VKH (eds) Principles in Spinal Surgery, McGraw-Hill Ch. 53, 817-840, 1996.
26. Hadley MN. *Interactive Audience Participation*. In: Loftus CL (ed.). Clinical Neurosurgery, Williams and Wilkins, Baltimore, MD. Vol. 43, Ch. 32, 508-517, 1996.
27. Hadley MN, Bishop RC. *Management of Craniocervical Junction and Upper Cervical Spine Injuries*. The Practice of Neurosurgery. Williams and Wilkins, Baltimore, MD. Vol. II, Ch. 111, 1687-1701, 1996.
28. Hadley MN, Robinson B. *Clinical Assessment of Degenerative Disorders of the Spine*. The Practice of Neurosurgery. Williams and Wilkins, Baltimore, MD. Vol III, Ch. 154, 2367-2375, 1996.
29. Reddy SVR, Hadley MN. *Infections of the Spine*. The Practice of Neurosurgery. Williams and Wilkins, Baltimore, MD. Vol. II, Ch. 230, 3481-3495, 1996.

PAPERS PRESENTED AT MEETINGS

1. Hadley MN, Shetter AG, Wilkinson E. The administration of epidural or intrathecal morphine as treatment for intractable pain due to carcinoma Presented at Rocky Mountain Neurosurgical Society Meeting, Colorado Springs, Colorado, June 10-14, 1984.
2. Spetzler RF, Hadley MN. Management of posterior fossa ischemia. Presented at Rocky Mountain Neurosurgical Society Meeting, Colorado Springs, Colorado, June 10-14, 1984.
3. Spetzler RF, Hadley MN. Neurosurgical treatment of vertebrobasilar insufficiency. Presented at Western Neurosurgical Society Meeting, Colorado Springs, Colorado, September 9-12, 1984.
4. Hadley MN, Browner CM, Sonntag VKH. Axis fractures. A review of management and treatment in 107 cases. Mayfield Resident Spine Award Presentation. Congress of Neurological Surgeons Meeting. New York, New York, October 1-5, 1984.
5. Carter LP, Hadley MN, Spetzler RF. Regional cortical blood flow in EC-IC bypass. Presented at Seventh International Symposium on Microsurgical Anastomoses for Cerebral Ischemia, Phoenix, Arizona, October 14-17, 1984.

6. Spetzler RF, Hadley MN, Masferrer R, Zabramski J. Management of vertebrobasilar insufficiency. Presented at Seventh International Symposium on Microsurgical Anastomoses for Cerebral Ischemia, Phoenix, Arizona, October 14-17, 1984.
7. Hadley MN, Browner CM, Sonntag VKH. Axis fractures. A review of management and treatment in 107 cases. Presented at Cervical Spine Research Society Meeting. New Orleans, Louisiana, December 5-10, 1984.
8. Hadley MN, Grahm TG, Dasplit PC, Spetzler RF. Otolaryngologic manifestations of posterior fossa arachnoid cysts. Presented at the Western Section Triotologic Society Meeting. Santa Barbara, California, January 5, 1985.
9. Hadley MN, Browner CM, Sonntag VKH. A review of management and treatment in 107 cases. Presented at the Joint Section of Spinal Disorders Meeting. Orlando, Florida, February 6-9, 1985.
10. Hadley MN, Spetzler RF. The transoral approach to the craniovertebral junction. Presented at the Joint Section of Spinal Disorders Meeting. Orlando, Florida, February 6-9, 1985.
11. Hadley MN, Browner CM, Sonntag VKH. Axis fractures. A comprehensive review of management and treatment in 107 cases. American Association of Neurological Surgeons and Congress of Neurological Surgeons First Meeting of the Joint Section on Spinal Disorders, February 8, 1985.
12. Hadley MN, Spetzler RF. The transoral approach to the craniocervical junction. Presented at the International Symposium on Surgery in and Around the Brainstem and the Third Ventricle. Hanover, Germany, February 18-20, 1985.
13. Spetzler RF, Hadley MN. Revascularization of the brainstem and posterior fossa. Presented at the International Symposium on Surgery in and Around the Brainstem and the Third Ventricle. Hanover, Germany, February 18-20, 1985.
14. Spetzler RF, Hadley MN. Neurosurgical management of posterior fossa ischemia Presented at the Southern Neurosurgical Society Meeting, Phoenix, Arizona, March 1985.
15. Hadley MN, Browner CM, Sonntag, VKH. Axis fractures. Society of Neurological Surgeons Meeting, Phoenix, Arizona, May 5-8, 1985.
16. Sonntag VKH, Hadley MN. Suprascapular nerve palsy. The Society of Neurological Surgeons, 76th Annual Meeting in its 65th year, Phoenix, Arizona May 16, 1985.
17. Hadley MN, Browner CM, Sonntag VKH. Axis fracture. A comprehensive review of management and treatment in 107 cases. The First International Summer Conference, Mombassa, Kenya, Africa, June 18, 1985.
18. Sonntag VKH, Hadley MN. Suprascapular nerve entrapment: A report of seven cases. The First International Neurosurgical Summer Conference. Mombassa, Kenya, Africa, June 20, 1985.
19. Hadley MN, Browner CM, Sonntag VKH. Thoracolumbar junction fractures. Management and treatment of 110 cases. Congress of Neurological Surgeons Meeting, Honolulu, Hawaii, October 1-4, 1985.

20. Zabramski JM, Hadley MN, Browner CM, Rekate H, Sonntag VKH. Pediatric spinal cord and vertebral column injuries. American Association of Neurological surgeons, Section of Pediatric Neurological Surgeons, 14th Annual Meeting, Houston, Texas, December 4-6, 1985.
21. Zabramski JM, Hadley MN, Sonntag VKH. Pediatric spinal cord and vertebral column injuries. Pediatric Section of AANS Meeting, December 6, 1985.
