

UAB® ADOLESCENT MEDICINE

The UAB Adolescent Youth Advisory Board (**YAB**) is a youth-led leadership and advocacy group within the Division of Adolescent Medicine at the University of Alabama at Birmingham for both Jefferson and Wilcox County.

The board elevates teen voices in shaping health, wellness, and community initiatives. Members collaborate with healthcare professionals, receive lifesaving skills training, provide insight on youth needs and help inform programs and outreach efforts that impact adolescents locally and beyond.

Program Highlights:

- Community Service Hours
- Paid End of Year Stipend
- Graduation Recognition Honors
- Field Trips
- Life Saving Skills Training
