

External Funding

Resident Funding Opportunities

RSNA Research Resident/Fellow Grant

- Provides trainees not yet professionally established in the radiologic sciences an opportunity to gain further insight into scientific investigation and to develop competence in research techniques and methods.
- \$30,000 for a 1-year Research Resident project or \$50,000 for a 1-year Research Fellow project, to be used for salary and/or non-personnel research expenses.
- Requires a minimum of 50% effort
- Application Deadline: Mid-January

https://www.rsna.org/Research_Resident_Grant.aspx

Roentgen Resident/Fellow Research Award

- Recognizes and encourages trainees who have played an active role in radiologic research during the past year.
- Participating North American residency programs receive an award plaque with room for each year's nominee. The Foundation provides a personalized award for the department to present to the selected resident or fellow.
- Application Deadline: Early April

https://www.rsna.org/Roentgen_Research_Award.aspx

ARRS Resident in Radiology Awards

- Only TWO nominees per institution will be accepted.
- One of the three awards may be given to a fellow.
- All attendees will receive a \$1,000 educational grant only after attending all the required programs.
- President's Award - \$2,000 / Executive Council Awards - \$1,000
- Application Deadline: Mid-January

<http://www.arrs.org/ARRSLIVE/ResidentAwards>

AUR Strategic Alignment Grant

- To advance the long-range strategic organizational goals of the AUR by awarding one year length grant(s) to applicants who address identified strategic priorities
- One or more grants, up to \$35,000 (USD) in aggregate will be awarded.
- The maximum individual award may not exceed \$35,000 for a one year project.
- Applications by Residents and Fellows are encouraged but must list a co-principal investigator (mentor) who is a full AUR member.
- Applicants (the primary investigator) may only submit one grant application to the AUR Research and Education Foundation per year.

- Applicants must hold a M.D. degree (or equivalent), be board eligible or certified in radiology, and have received sufficient research training at pre- and/or postdoctoral levels to be capable of independent research.
- Application Deadline: Mid-January

<http://www.aur.org/Strategic-Alignment-Grant/>

Fellowship Funding Opportunities

RSNA Research Resident/Fellow Grant

- Provides trainees not yet professionally established in the radiologic sciences an opportunity to gain further insight into scientific investigation and to develop competence in research techniques and methods.
- \$30,000 for a 1-year Research Resident project or \$50,000 for a 1-year Research Fellow project, to be used for salary and/or non-personnel research expenses.
- Requires a minimum of 50% effort
- Application Deadline: Mid-January

- One of the three awards may be given to a fellow.
- All attendees will receive a \$1,000 educational grant only after attending all the required programs.
- President's Award - \$2,000 / Executive Council Awards - \$1,000
- Application Deadline: Mid-January

<http://www.arrs.org/ARRSLIVE/ResidentAwards>

ARRS Introduction to Academic Radiology

- **Purpose** to introduce residents to academic radiology in the second year of their residencies (PGY3).

- A \$1,000 award will be made to the departments of accepted applicants to be used to help advance the applicant's academic career.
- Application Deadline: Mid-July

<https://www.rsna.org/Introduction-to-Academic-Radiology/>

AUR Strategic Alignment Grant

- To advance the long-range strategic organizational goals of the AUR by awarding one year length grant(s) to applicants who address identified strategic priorities
- One or more grants, up to \$35,000 (USD) in aggregate will be awarded.
- The maximum individual award may not exceed \$35,000 for a one year project.
- Applications by Residents and Fellows are encouraged but must list a co-principal investigator (mentor) who is a full AUR member.
- Applicants (the primary investigator) may only submit one grant application to the AUR Research and Education Foundation per year.
- Applicants must hold a M.D. degree (or equivalent), be board eligible or certified in radiology, and have received sufficient research training at pre- and/or postdoctoral levels to be capable of independent research.
- Application Deadline: Mid-January

<http://www.aur.org/Strategic-Alignment-Grant/>

Junior Faculty Funding Opportunities

RSNA Research Scholar Grant

- Supports junior faculty members who have completed the conventional resident/fellowship training programs but have not yet been recognized as independent investigators.
- \$75,000 annually for 2 years (\$150,000 total) to be used as salary support.
- Requires a minimum of 40% effort.
- Application Deadline: Mid-January

https://www.rsna.org/Research_Scholar_Grant.aspx

RSNA Research Seed Grant

- Enables investigators to gain experience in defining objectives and testing hypotheses in preparation for major grant applications to corporations, foundations and governmental agencies.
- Up to \$40,000 United States Dollars (USD) for a 1-year project to support the preliminary or pilot phase of scientific projects.
- Open to international applicants
- Application Deadline: Mid-January

https://www.rsna.org/Research_Seed_Grant.aspx

ARRS Clinician Educator Development Program

- Each year 25 junior faculty nominees are selected and receive a \$1,000 grant to attend a two-day workshop to gain proficiency in teaching skills and designing educational activities.
- Only TWO nominees per institution will be accepted.
- All attendees will receive a \$1,000 educational grant only after attending all the required programs.
- Application Deadline: Late December

<http://www.arrs.org/ARRSLIVE/CEDP>

ARRS/Philips Healthcare Scholarship

- One faculty per department per year
- The scholar may choose a one-year program requiring a minimum 80 percent time commitment, or a two-year program requiring a minimum 50 percent time commitment.
- Application Deadline: Mid-November

<http://www.arrs.org/ARRSLIVE/ARRSPhilipsScholarship>

ARRS ASNR Scholarship

- The scholarship program is open to junior full time faculty members (below the associate professor level) specializing in neuroradiology.
- The ARRS Research Subcommittee in conjunction with members of The Foundation of the ASNR will select one scholar each year to participate in a two-year program. The scholarship will provide \$150,000 (\$75,000 per year); it requires a minimum 50 percent time commitment.
- Application Deadline: Spring 2018 / Scholarship is awarded every other year.

<http://www.arrs.org/ARRSLIVE/Scholarships/ScholarshipInformation/ARRSLIVE/Scholarships/ScholarshipInformation.aspx?hkey=7f53a4b5-658e-4ae9-be60-2c1f9dac280e>

AUR GE Radiology Research Academic Fellowship (GERRAF) Award

- One faculty per department per year
- GERRAF Board of Review selects up to four applicants to receive two-year, \$140,000 fellowships.
- GERRAF stipends are paid annually in \$70,000 installments directly to sponsoring institutions for salary, research and education support in exchange for protecting half the Fellow's time to conduct the approved research.
- Applicants must currently hold a junior faculty appointment
- Application Deadline: Mid-January

<https://www.aur.org/GERRAF/>

AUR Strategic Alignment Grant

- To advance the long-range strategic organizational goals of the AUR by awarding one year length grant(s) to applicants who address identified strategic priorities
- One or more grants, up to \$35,000 (USD) in aggregate will be awarded.
- The maximum individual award may not exceed \$35,000 for a one year project.
- Applications by Residents and Fellows are encouraged but must list a co-principal investigator (mentor) who is a full AUR member.
- Applicants (the primary investigator) may only submit one grant application to the AUR Research and Education Foundation per year.
- Applicants must hold a M.D. degree (or equivalent), be board eligible or certified in radiology, and have received sufficient research training at pre- and/or postdoctoral levels to be capable of independent research.
- Application Deadline: Mid-January

<http://www.aur.org/Strategic-Alignment-Grant/>

RSNA/AUR/APDR/SCARD Education Research Development Grant

- Up to \$10,000 for a 1-year project to help cover the costs of research materials, research assistant support, and limited primary investigator salary support
- Application Deadline: Early January

<https://www.aur.org/RSNA-AUR-APDR-SCARDEducationResearchDevelopmentGrant/>

Faculty Funding Opportunities

RSNA Research Scholar Grant

- Supports junior faculty members who have completed the conventional resident/fellowship training programs but have not yet been recognized as independent investigators.
- \$75,000 annually for 2 years (\$150,000 total) to be used as salary support.
- Requires a minimum of 40% effort.
- Application Deadline: Mid-January

https://www.rsna.org/Research_Scholar_Grant.aspx

RSNA Research Seed Grant

- Enables investigators to gain experience in defining objectives and testing hypotheses in preparation for major grant applications to corporations, foundations and governmental agencies.
- Up to \$40,000 United States Dollars (USD) for a 1-year project to support the preliminary or pilot phase of scientific projects.
- Open to international applicants
- Application Deadline: Mid-January

https://www.rsna.org/Research_Seed_Grant.aspx

ARRS Distinguished Educator Award

- Unlikely to give an award to more than one candidate per department per year
- Application Deadline: Mid-January

<http://www.arrs.org/ARRSLIVE/DistinguishedEducator>

ARRS Lee F. Rogers International Fellowship in Radiology Journalism

- The Rogers Fellowship is an award that provides 1 recipient per year with an opportunity to work closely with AJR editors and staff to learn the fundamentals of medical publishing.
- The successful candidates will each be awarded a maximum of \$12,000 to cover travel and other expenses.
- Application Deadline: Early October

<http://www.arrs.org/ARRSLIVE/Rogers>

ARRS Melvin M. Figley Fellowship in Radiology Journalism

- Unlikely to give an award to more than one candidate per department per year
- The successful candidates will each be awarded a maximum of \$10,000 to cover travel and other expenses.
- Application Deadline: Early October

<http://www.arrs.org/ARRSLIVE/Figley>

AUR Strategic Alignment Grant

- To advance the long-range strategic organizational goals of the AUR by awarding one year length grant(s) to applicants who address identified strategic priorities
- One or more grants, up to \$35,000 (USD) in aggregate will be awarded.
- The maximum individual award may not exceed \$35,000 for a one year project.
- Applications by Residents and Fellows are encouraged but must list a co-principal investigator (mentor) who is a full AUR member.
- Applicants (the primary investigator) may only submit one grant application to the AUR Research and Education Foundation per year.
- Applicants must hold a M.D. degree (or equivalent), be board eligible or certified in radiology, and have received sufficient research training at pre- and/or postdoctoral levels to be capable of independent research.
- Application Deadline: Mid-January

<http://www.aur.org/Strategic-Alignment-Grant/>

RSNA/AUR/APDR/SCARD Education Research Development Grant

- Up to \$10,000 for a 1-year project to help cover the costs of research materials, research assistant support, and limited primary investigator salary support
- Application Deadline: Early January

http://www.rsna.org/Radiology_Education_Research_Development_Grant.aspx

Medical Student Funding Opportunities

Research Medical Student Grant

- Makes radiology research opportunities possible for medical students, and to encourage them early in their medical careers to consider academic radiology as an option for their future.
- \$3,000 stipend for a 10-week research project, to be matched by the sponsoring department (\$6,000 total).
- Application Deadline: February 1st

https://www.rsna.org/Research_Medical_Student_Grant.aspx

ARRS/Philips Healthcare Scholarship

- One faculty per department per year
- The scholar may choose a one-year program requiring a minimum 80 percent time commitment, or a two-year program requiring a minimum 50 percent time commitment.
- Application Deadline: Mid-November

<http://www.arrs.org/ARRSLIVE/ARRSPhilipsScholarship>

Universal Funding Opportunities

RSNA Education Scholar Grant

- Provides funding opportunities for individuals with an active interest in radiologic education.
- Up to \$75,000 USD for salary support and/or other project costs for a 1-year grant. In exceptional cases, grants for up to two years will be considered.
- Open to international applicants
- Application Deadline: TBD

https://www.rsna.org/Education_Scholar_Grant.aspx

RSNA/AUR/APDR/SCARD Radiology Education Research Development Grant

- Encourages innovation and improvement in health sciences education by providing research opportunities to individuals in pursuit of advancing the science of radiology education.

- Up to \$10,000 USD for a 1-year project.
- Open to international applicants
- Application Deadline: Mid-January

https://www.rsna.org/Radiology_Education_Research_Development_Grant.aspx

ARRS Leonard Berlin Scholarship in Medical Professionalism

- Unlikely to give an award to more than one candidate per department per year
- Scholars may choose either a one-year program requiring a minimum 50 percent time commitment to be funded at \$100,000, or a two-year program requiring a minimum 25 percent time commitment to be funded at \$50,000 each year.
- Application Deadline: Mid-November

<http://www.arrs.org/ARRSLIVE/BerlinScholarship>

AUR Research and Education Foundation Venture Fund for Affinity Groups

- To support and invest in the missions of the respective AUR Affinity Groups, and to promote collaborative projects among Affinity Groups. Innovative projects are to be proposed by individuals through the AUR Affinity Groups, with the aim of addressing stated needs of one or more of those groups.
- Each Affinity Group can submit up to 1 independent proposal per year as the sole recipient, with a maximum request of \$5,000. However, there is no limit to the number of joint proposals that can be submitted in collaboration with other Affinity Groups. For a joint proposal, the maximum request is \$10,000. Each proposed project will be funded for 10 months, but submissions for proposed funding continuation of an existing project are allowed.
- Application Deadline: Early July

<https://www.aur.org/REF-venture-fund-for-affinity-groups/>

AUR Strategic Alignment Grant

- To advance the long-range strategic organizational goals of the AUR by awarding one year length grant(s) to applicants who address identified strategic priorities
- One or more grants, up to \$35,000 (USD) in aggregate will be awarded.
- The maximum individual award may not exceed \$35,000 for a one year project.
- Applications by Residents and Fellows are encouraged but must list a co-principal investigator (mentor) who is a full AUR member.
- Applicants (the primary investigator) may only submit one grant application to the AUR Research and Education Foundation per year.
- Applicants must hold a M.D. degree (or equivalent), be board eligible or certified in radiology, and have received sufficient research training at pre- and/or postdoctoral levels to be capable of independent research.
- Application Deadline: Mid-January

UAB Internal Funding Opportunities

Faculty Funding Opportunities

UAB Radiology Research Initiative Pilot Award (RRIPA)

- Eligible to any faculty member within UAB Radiology
- \$20,000 award
- Application Deadline: Late October
- For more information, contact Morgan Amos amos@uabmc.edu

UAB Radiology Soto Catalyst Award

- Eligible to any faculty member within UAB Radiology
- \$20,000 award
- Application Deadline: Late October
- For more information, contact Morgan Amos amos@uabmc.edu

UAB Radiology Pilot Research Initiative

- Eligible to any faculty member within UAB
- \$15,000 award
- Application Deadline: Bi-Annually

For more information, contact Morgan Amos jamoss@uabmc.edu

UAB Radiology Imaging Development Voucher Program

- Eligible to any faculty member within UAB
- \$5,000 award
- Application Deadline: No deadline, applicants can apply throughout the year

For more information, contact Morgan Amos jamoss@uabmc.edu

CCTS Partner Network Multidisciplinary Pilot Program

- **Application Deadline: Early January**

<https://www.uab.edu/ccts/research-commons/funding-opportunities-2/257-ccts-pilot-network-partner-program>

Health Services Foundation General Endowment Fund (HSF-GEF) Grant

- Deadline typically 6/30 annually

https://www.uab.edu/ccts/images/PDFs/GEF_Application_Form_2017-18.pdf

UAB Comprehensive Cancer Center Faculty Development Award

- One-Year \$50,000 award
- Application Deadline: Early May

UAB Comprehensive Cancer Center New Faculty Development Award in Cancer Research

- Application Deadline: Early June

<http://www3.ccc.uab.edu/members/membership-resources/funding-opportunities/>

UAB Medicine Multi-Investigator Planning Grant RFA

- The UAB School of Medicine invites exploratory/developmental grant applications for the establishment of an infrastructure for eventual applications for multi-investigator research programs, such as Program Project grants (P01), SPORE grants, Center grants (P30, P50 or P60), U-series grants or Multi-PI R01 grants from NIH or other funding agencies. The Multi-PI R01 grants should have inter-related projects, at least 3 PIs, and should be requesting more than the standard modular budget allows. Please note: standard R01 type applications will not be considered responsive to this RFA.
- Application Deadline: LOI and Application due in October

<http://www.uab.edu/medicine/home/research/funding-opportunities>

UAB Medicine Impact Awards

- The IMPACT awards are intended to augment **recruitment** and retention packages for outstanding, highly-funded faculty ranked at the Assistant Professor level or higher. These state monies are intended to foster economic growth as assessed by increased extramural support to UAB and by an increase in research employees who are supported, in part or whole, by extramural resources
- Application Deadline: Continuous

<http://www.uab.edu/medicine/home/research/funding-opportunities>

UAB Medicine Bridge Funding

- Bridge funding provides some continuing research support due to uncertainties in external funding. Bridge awards depend on availability of funds and are made at the discretion of the Dean; up to a maximum of \$75,000 per year
- Application Deadline: Continuous

<http://www.uab.edu/medicine/home/research/funding-opportunities>

Coming Soon:

AUR-RAHSR Imaging Policy Research Grant

<http://www.aur.org/Imaging-Policy-Research-Grant/>

Notes:

Search for Funding

If you are interested in finding funding opportunities from sources outside of UAB please refer to IRAP's SPIN and SMARTS tools. Information about SPIN and SMARTS can be found at www.uab.edu/IRAP or by contacting IRAP@uab.edu.
