INSTRUCTIONS FOR RETURNING THE PROGRAM OF STUDY

The Program of Study (POS) is your agreement between you and the School of Nursing. Program of studies have been developed ahead of time to help ensure there is space available in each course and to provide a seamless flow through the coursework. If changes are necessary in your POS due to previously completed nursing graduate coursework, you ***MUST* gain approval**. The initial POS approval will be issued through the Office of Student Success in your initial offer letter packet. NOTE: Your POS Hold will be lifted prior to orientation after you have a signed your updated POS and it is submitted back to UAB School of Nursing.

We recommend you submit requirements and plan to complete any missing portions as soon as possible. Medical clearance compliance will be required prior to starting classes. Please contact UAB Student Health with any questions via the Patient Portal.

To ensure a safe and healthy campus, UAB requires all entering students to satisfy immunization/TB requirements. All requirements must be met prior to enrolling at the university. Before you register in nursing courses, you must upload a number of medical records in the UAB Student Health and Wellness Patient Portal. Students can access the Patient Portal from the right side navigation on their BlazerNet homepage.

Please begin locating your medical records immediately to help determine if you need to initiate immunizations to comply with our program requirements. Some immunizations take time to complete. Any instance of an incomplete immunization prior to school starting may prohibit you from attending clinicals.

BSN-DNP NP students are required to satisfy **the Level 3 Immunization requirements** for clinical students.

<https://www.uab.edu/students/health/immunizations/level-3>

You will not have access to the patient portal until the semester prior to starting the program.

Submit Your Documentation:

- Log into BlazerNET at www.uab.edu/BlazerNET using your Blazer ID and password, Click on "Patient Portal" and log in using your Blazer ID and password.
- Click on "Forms", then click "Add immunization record"

You will have the ability to scan and upload documents for your various clearance requirements. (Must be JPEG, JPG, PNG, GIF or PDF). You may also fax your immunization records to SHW at 205-996-SHOT (7468).

We look forward to serving you during your time at UAB. Feel free to contact Student Health and Wellness on the Patient Portal or by phone (205.975.7753) if you have any questions or concerns.

7 steps to completing Student Immunization / TB Clearance as of January 3, 2023

The purpose of the medical clearance process is to ensure a safe and healthy environment on the UAB campus. Medical clearance requirements vary by school and student type. **These requirements must be met before the first day of class to avoid having a registration hold placed on your student account, registration cancelled, or being unable to begin classes.**

UAB Student Health and Wellness 1714 9th Avenue South

Please use the **Patient Portal** to contact Student Health and Wellness. This is the most efficient way to inquire about your immunizations or test results.

UAB SH&W PHYSICAL EXAMINATION (*Please print in black ink*) To be completed and **signed** by physician or clinician. A physical examination is required for all clinical students within 1 year prior to matriculation.

You may schedule a physical exam at Student Health & Wellness if you do not have a physician. Schedule an appointment through your patient portal or call 205-934-3580 and ask our receptionist for details.

Drug Screen & Background Check

All BSN to DNP NP students in the School of Nursing are required to consent to and pay for a criminal background check and urine drug screening at least once per year.

You will receive an email (sent to your UAB.EDU email address) requesting you to complete a background check. The email will come from UABSchoolofNursingDNP@screening.services, DISA Global Solutions Inc.. The cost of the background check is currently \$92.

Approximately 24 hours after you order and pay for your background check, you will receive an email from OTSWEBAPP@Labcorp.com, LabCorp. This email will contain your registration number to complete your drug screening.

The deadline to complete both the background check and the drug screening is 10 business days from the date of the first background check email you are sent, unless you are notified of a change in the deadline. It is recommended that you order and pay for your background check within 3 days of receiving the email from UABSchoolofNursingDNP@screening.services.

Please remember your UAB email account is one of the official forms of communication for UAB. If your UAB email account is forwarded to another email account, please be aware that important emails may be filtered into your junk, spam, or other folder. You are responsible for checking your UAB email. Any correspondence missed because you forwarded your UAB email to a different email account (Yahoo, Gmail, etc.) will not excuse you from complying with these requirements.

During this process, either DISA or LABCORP may attempt to reach out to you by phone. Please answer all calls until this process is complete, as the testing centers may need additional information from you and will not leave a message due to privacy concerns.

Please Note: Missing these important deadlines may jeopardize your seat in the program. The School of Nursing may rescind your admission offer for BSN-DNP NP Pathway if you fail to comply with these requirements. Please be diligent and complete the background check and drug screening requirements in a timely fashion.

In addition, the email with results will come from DISAGlobalSolutionsInc@screening.services. Please let us know if you have any additional questions!

Staffing and supply shortages have increased the wait time on the return of your **background check/drug screen** results to UAB Nursing Student Success. The hold on your account will be removed as soon as we have full clearance from DISA on both the background check and drug screening. Please know that there is a seat available for you to register in your spring classes. We request your continued patience and understanding in this process.
