BSN Student Checklist – FALL 2025

USE THIS CHECKLIST TO KEEP TRACK OF ITEMS THAT REQUIRE YOUR ATTENTION

BSN Program Admission
Complete and sign the BSN Acceptance Form by June 13, 2025, at noon CST.
Read the Fall 2025 BSN Online Admissions Packet (this packet!)
Required Events
Participate in the Fall 2025 BSN Information Session, Wednesday, June 18, 2025, 8:00 am to 1:30 pm CST.
This is a required event.
Requests for a participation exception must be emailed to Ms. Crimsynn Dover (cdover@uab.edu) by June 13,
<u>2025.</u>
Participate in the mandatory BSN Orientation on August 20-22, 2025, 8:00 am to 4:00 pm CST. Additional
information about orientation will be provided as soon as it is available.
Trainings & Medical Clearance
Begin locating your immunization records immediately. This online packet explains the immunization records
required to comply with Level 3 immunizations for clinical students (including the required health history form
and immunization form). All immunization records must be uploaded into the UAB Student Health and
Wellness patient portal.
Complete a School of Nursing acceptable CPR Certification by August 20, 2025.
 Complete the Background Check and Drug Screen when instructed to do so by email.
 Complete your OSHA training when instructed to do so in this packet.
Complete your HIPAA training when instructed to do so in this packet.
Equipment & Uniforms
Order uniforms from Read's Uniforms. Your assigned date to try on uniforms is included in this packet.
Order additional required equipment (Lab Kit, Stethoscope).
Holds & Registration
Resolve all financial, administrative, or academic holds. You cannot register for fall nursing classes until all
your holds have been resolved.
Register for Fall 2025 courses. The included Program of Study lists the classes you will register for each
semester of nursing school. You do not need to worry about class times. These are not visible online. Your
directors will provide times to you before each term.
You will register yourself in nursing courses for fall semester after you participate in the BSN Information
Session <u>and</u> resolve all School of Nursing holds on your account. A registration guide is included in this packet.
Send final official transcripts to the UAB Office of Admissions by Wednesday, August 20, 2025. Please do not
send official transcripts to the School of Nursing. If you expect any delay in the arrival of your transcripts,
contact Crimsynn Dover at <u>cdover@uab.edu</u> .
Miscellaneous
Transfer students new to UAB this semester (without a bachelor's degree) are required to complete a UAB
Transfer Orientation. You <u>must</u> choose a UAB Transfer Orientation date that does not conflict with your
 nursing orientation August 20-22! https://www.uab.edu/admissions/orientation/transfer-non-traditional
Use the included additional resources guide to get student parking, on-campus or off-campus housing, and to
 activate your UAB email.
 Use the included guide to get your UAB One Card (student ID badge).
Use the included additional resources guide to inquire about financial aid and scholarships, including UAB
 School of Nursing scholarships.
Complete the Approved School Activity Form if applicable (for school-sponsored events - band, athletics, etc.).

Immunization Requirements

BSN Program

Before you register in nursing courses for the fall semester, you must upload a number of medical records in the UAB Student Health and Wellness Patient Portal. Students can access the Patient Portal from the right-side navigation on their BlazerNet homepage.

Please begin locating your medical records immediately to help determine if you need to initiate immunizations to comply with our program requirements. Some immunizations take time to complete. Any instance of an incomplete immunization prior to school starting may prohibit you from attending clinicals.

BSN students are required to satisfy **the Level 3 Immunization requirements** for clinical students.

https://www.uab.edu/students/health/medical-clearance/immunizations/level-3

The following documents include:

- (1) Student Health and Wellness Health History Form
- (2) Student Health and Wellness Physical Exam Form
- (3) Student Health and Wellness Immunization Form
- (4) COVID-19 Exemption Application Form (only upload this if you do not have a COVID-19 vaccine)

All immunization records and forms must be uploaded in the Patient Portal on the UAB Student Health and Wellness website. If you have questions about what documentation is required, please submit your questions to the UAB Student Health and Wellness Office while you are logged into their Patient Portal.

COVID Exemption Application

Any student participating in clinical experiences at _____ ____subject to a requirement that he or she receive one or more COVID-19 vaccinations as a condition of their participation may claim an exemption for medical reasons or the vaccination conflicts with sincerely held religious beliefs. A request for either a medical or a religious exemption from the COVID-19 vaccination may be submitted by completing this form.

I am requesting exemption from the COVID-19 vaccine requirements for the following reason(s): *Check all that apply.

My health care provider has recommended to me that I refuse the COVID-19 vaccination based on my current health conditions and medications. (NOTE: A licensed health care providers statement must be attached to this form to claim this exemption).

I have previously suffered a severe allergic reaction (e.g., anaphylaxis) related to vaccinations in the past.

I have previously suffered a severe allergic reaction related to receiving polyethylene glycol or products containing polyethylene glycol.

_ I have previously suffered a severe allergic reaction related to receiving polysorbate or products containing polysorbate.

I have received monoclonal antibodies or convalescent plasma as part of a COVID-19 treatment in the past 90 days.

_____I have a bleeding disorder or am taking a blood thinner.

_____ I am severely immunocompromised such that receiving the COVID-19 vaccination creates a risk to my health.

_____ I have been diagnosed with COVID-19 in the past 12 months.

Receiving the COVID-19 vaccination conflicts with my sincerely held religious beliefs, practices, or observances. I hereby swear or affirm that the information in this request is true and accurate. I understand false or misleading information is grounds for termination of my clinical experience at Baptist Health.

CPR Certification

BSN Program

The UAB School of Nursing requires all students admitted to the BSN program for Fall 2025 to be CPR certified by **August 20, 2025.**

The only CPR certification that will be accepted is the AMERICAN HEART ASSOCIATION Heartcode®BLS Online.

We recommend you earn your CPR certification as soon as possible. We encourage you to check and see if the American Heart Association is offering BLS for Health Care Providers in your area. UAB School of Nursing will also be offering certification opportunities.

If you choose to take an online American Heart Association BLS for Healthcare Providers CPR Course, you must complete <u>both</u> components that make up certification: (1) the online portion and (2) the hands-on skills portion.

Part 1: How to register for the online course

- 1. Go to <u>https://shopcpr.heart.org/heartcode-bls</u>.
- 2. This screen shows <u>Heartcode®BLS ONLINE</u> (Price: \$36)
- 3. Under "Audience" the description reads: "This course is designed for healthcare professionals and other personnel who need to know how to perform CPR and other basic cardiovascular life support skills in a wide variety of in hospital and prehospital settings"
- 4. Please enter an <u>accurate email</u>.
- 5. The system will guide you through the registration process and through completing the online course to receive your certificate.

Part 2: How to register for the hands-on skills session

TURN TO THE Basic Life Support (BLS) for Healthcare Provider Class PAGE TO REGISTER FOR UAB SCHOOL OF NURSING'S SKILLS SESSION or

follow the instructions below to find an in-person skills session near you.

A separate psychomotor skills assessment using voice assisted manikins with real-time audio and visual feedback OR a skills assessment with an AHA Instructor is required to earn a valid AHA BLS Provider eCard that is valid for two years.

- 1. Go to <u>https://atlas.heart.org/home.</u>
- 2. Enter your location (or zip code) in the search box "Provide your Location" and click "Find a Class". This will show a list of courses.
- 3. To filter to the correct <u>BLS Provider</u> training that pairs with your online learning session (part 1):
 - a. Click the checkbox beside "BLS" under "Courses" to the left.
 - i. Click the drop down arrow beside BLS and make sure only BLS Provider is checked.
 - b. Click "Blended Learning" under "Class Format". (THIS IS IMPORTANT)
 - c. *Distance and Class Date at the top of the screen may need to be adjusted to find an available class.
 - d. You can enroll from this screen. Location contact information is provided if you have questions.

Upon completion of the exam and skills check off, you will receive a BLS card sent to the email address you provided. This proof of CPR certification (electronic card example below) must be emailed to Ms. Pat Little, at plittle2@uab.edu, by August 20, 2025.

Please save your electronic card (eCard) so you will always have it available.

Basic Life Support (BLS) for Healthcare Provider Class Spring/Summer 2025

Welcome to HeartCode® BLS!

The HeartCode[®] BLS Course has **two components: An online portion and an instructor-led classroom portion**. You must complete the online portion first.

- 1. 1st complete an American Heart Association(AHA) sponsored online module (\$34.00) includes an exam.
- 2. 2nd perform your skills checkoff (\$35) at UAB School of Nursing (SON).

Skills session will be held at the School of Nursing

May 1, 2025, 9:00 am - 10:00 am

May 1, 2025, 10:00 am - 11:00 am

June 25, 2025, 9:00 am - 10:00 am

June 25, 2025, 10:00 am -11:00 am

<u> August 19, 2025, 9:00 am – 10:00 am</u>

August 19, 2025, 10:00 am - 11:00 am

IT IS IMPORTANT THAT YOU READ CAREFULLY AND FOLLOW THE INSTRUCTIONS!

Part 1: How to register for the BLS Online course:

- 1. Go to <u>https://shopcpr.heart.org/heartcode-bls</u>
- 2. This screen shows Heartcode®BLS ONLINE
- The description: "This program is designed for healthcare professionals who need Basic Life Support training for their clinical duties. HeartCode[®] BLS Online consists of a cognitive portion that is completed online". COST \$34.00. PLEASE ENTER AN ACCURATE EMAIL.
- 4. The system will guide you through the process in completing the course online receiving a certificate.

Part 2: How to register for the BLS Hands-on session/Skills checkoff held at the UAB SON.

- 1. Register at: https://secure.touchnet.com/C21564_ustores/web/store_main.jsp?STOREID=145&SINGLESTORE=true
- 2. Select one of the sessions to register for. The cost is \$35 and space is limited. PLEASE NOTE THE DATE and TIME you selected!
- 3. You MUST present your online course completion certificate PRIOR to skills checkoff. If you do not have your certificate of completion, you will not be able to complete the skills practice and testing of the course. This is required by AHA and there are no exceptions.
- 4. Allow at least 1 hour for the checkoff session. Please arrive on time.

AFTER COMPLETION OF PARTS 1 and 2:

- 1. You will receive your BLS card within 72 hours at the email address you provided. If you are a nursing student, you must SEND A COPY to Pat Little <u>plittle2@uab.edu</u>, within the Office of Student Success for your student records. You are responsible for making sure this is completed. Everyone must check their email for the eCard including spam and junk email.
- 2. Please save your Electronic Card (eCard) so you will always have it available. Replacement cards are \$20. Email <u>ahason@uab.edu</u> for a replacement card.

Plan to wear loose, comfortable clothing. You will be practicing skills that require working on your hands and knees, bending, standing, and lifting. The instructor will work to accommodate your needs within the course completion requirements stated. *****No refunds will be offered,** only makeups for extenuating circumstances. Please contact <u>ahason@uab.edu</u> for questions or problems.

Drug Screen & Background Check

BSN Program

All BSN students in the School of Nursing are required to consent to and pay for a criminal background check and urine drug screening at least once per year.

You will receive an email (**sent to your UAB.EDU email address**) requesting you to complete a background check. The email will come from UABSchoolofNursingBSNBasic@screening.services, DISA Global Solutions Inc. The cost of the background check is currently \$92.

Approximately 24 hours after you order and pay for your background check, you will receive an email from OTSWEBAPP@Labcorp.com, LabCorp. This email will contain your registration number to complete your drug screening.

The deadline to complete both the background check and the drug screening is 10 business days from the date of the first background check email you are sent, unless you are notified of a change in the deadline. It is recommended that you order and pay for your background check within 3 days of receiving the email from UABSchoolofNursingBSNBasic@screening.services.

Please remember your UAB email account is one of the official forms of communication for UAB. If your UAB email account is forwarded to another email account, please be aware that important emails may be filtered into your junk, spam, or other folder. You are responsible for checking your UAB email. Any correspondence missed because you forwarded your UAB email to a different email account (Yahoo, Gmail, etc.) will not excuse you from complying with these requirements.

During this process, either DISA or LABCORP may attempt to reach out to you by phone. Please answer all calls until this process is complete, as the testing centers may need additional information from you and will not leave a message due to privacy concerns.

Please Note: Missing these important deadlines may jeopardize your seat in the program. The School of Nursing may rescind your admission offer for BSN study if you fail to comply with these requirements. Please be diligent and complete the background check and drug screening requirements in a timely fashion.

In addition, the email with results will come from <u>DISAGlobalSolutionsInc@screening.services</u>. Please let us know if you have any additional questions.

If you do not have a Social Security Number, please enter all 1's for this item.

Staffing and supply shortages have increased the wait time on the return of your background check/drug screen results to UAB Nursing Student Success. The hold on your account will be removed as soon as we have clearance from GHRR. Please know that there is a seat available for you to register in your fall classes. We request your continued patience and understanding in this process.

Bloodborne Pathogens, Occupational Safety & Health Administration (OSHA)

BSN Program

<u>Do not attempt to complete this requirement until after July 1</u>. Completing this requirement sooner will cause a delay in removing your hold.

This training is an annual requirement.

New UAB Students

Do not go directly into CAMPUS LEARNING, use the link provided

To access and enroll in the training, go to:

https://uab.docebosaas.com/lms/index.php?r=course/deeplink&course_id=153&generated_by=151665&h ash=c521d66fdfc107127e15b8255bd9640cb1465247

- Click on LOGIN WITH BLAZERID
- Log in using your BlazerID/Username and password
- Click on Bloodborne Pathogens Course
- You will need to click on and go through *Course Material, Reality Check, Course Assessment and Course Evaluation*
- You can see your certificate in the Campus Learning System by going to "My Activities" located on the homepage; however, https://www.uab.edu/learninglocker is the repository for full training history. Courses completed within the campus learning system will be logged into the Learning Locker within 1 business day

Returning & Current UAB School of Nursing Students (1 year or older) Certification and Retraining

- Log in to Campus Learning https://uab.docebosaas.com/learn
- Click on LOGIN WITH BLAZERID
- Log in using your BlazerID and password
- From the landing page-upper right side-you will choose <u>MY ACTIVITIES</u> from the profile section
- Under "My Activities" you will choose <u>Certification</u> this will take you to the 'Certification and Retraining' page
- Click on **RENEW NOW** this will direct you to the course that requires re-certification.
- You will need to click on and go through *Course Material, Reality Check, Course Assessment and Course Evaluation*
- You can see your certificate in the Campus Learning System by going to "My Activities" located on the homepage; however, <u>https://www.uab.edu/learninglocker</u> is the repository for full training history. Courses completed within the campus learning system will be logged into the Learning Locker within 1 business day

The School of Nursing will receive notice of successful completion of your training. Once you

complete the training you should expect ~5 business days before your hold is removed. If you are having problems accessing Campus Learning or accessing your course or certificate, please email <u>campuslearning@uab.edu</u>. Please include a phone number where you can be reached. This phone should be near your computer so that someone can assist you.

American Health Insurance Portability & Accountability Act (HIPAA)

BSN Program

Do not attempt to complete this requirement until after July 1.

HIPAA works to ensure that all medical records, medical billing, and patient records meet certain consistent standards with regards to documentation, handling, and privacy.

If you have taken HIPAA training with another healthcare institution, you will need to retake it through UAB's Campus Learning to complete the requirement and receive credit. This is a <u>one-time only</u> training that does not require renewal at UAB.

<u>New UAB School of Nursing Students</u> (Do not go directly into CAMPUS LEARNING, use the link provided)

To access and enroll in the HIPAA training course, go to:

https://uab.docebosaas.com/lms/index.php?r=course/deeplink&course_id=27&generated_by=151665&hash=89 c0297a2b7474b2ada7e5ab7cc93766a3192250

- Click on LOGIN WITH BLAZERID
- Login using your BlazerID/Username and Password
- Successful completion is considered a score of 75% or better. If unsuccessful, repeat these steps until you have a satisfactory score.
- You can see a certificate in the Campus Learning System by going to "My Activities" located on the homepage; however, <u>https://www.uab.edu/learninglocker</u> is the repository for full training history. Courses completed within the Campus Learning System will be logged into the Learning Locker within 1 business day

Returning/Current UAB School of Nursing Students or Previous/Current UAB Employees

If you have completed HIPAA with UAB as a previous student or employee, you will need to send a copy of your certificate to the Office of Student Success via email (<u>sonstudaffrs@uab.edu</u>) or fax to 205.934.5490.

To view and email/print your HIPAA certificate in the Campus Learning System go to <u>https://www.uab.edu/learninglocker</u>

- LOGIN WITH BLAZER ID
- Select "View Certificate" and either print or email your certificate to the Office of Student Success.

The School of Nursing will receive notice of successful completion of your training. Once you complete the training you should expect ~5 business days before your hold is removed.

If you are having problems accessing Campus Learning or accessing your course or certificate, please email <u>campuslearning@uab.edu</u>. Please include a phone number where you can be reached. This phone should be near your computer so that someone can assist you.

Uniforms

BSN Program

<u>Uniforms</u>

All new BSN students must order their official uniforms from Read's Uniforms in Birmingham, Alabama. New BSN students will be assigned a date to visit their store in Birmingham to be fitted for uniforms. Their address is **608 23rd Street South, Birmingham, AL 35233**. The uniforms take at least 4-6 weeks to arrive because they must be embroidered.

Your fitting date is on the next page. You can visit the store at any time on your date. Local students are expected to visit the store on their assigned date or one of the make-up dates. Students not in Birmingham may follow the recommendations from Read's Uniforms.

You must purchase at least the following items from Read's Uniforms:

- 2 sets of scrubs
- 1 lab coat
- 1 polo shirt

Approximate cost for the required uniform components is \$250, depending on sizes and items you purchase. The approximate cost includes two sets of scrubs, one lab coat, one polo shirt, embroidery, and taxes. If additional items are purchased additional charges will apply.

Some students decide to order a scrub jacket to wear over their scrubs for warmth. The purchase of a scrub jacket is not required. However, if you purchase a scrub jacket, it must be appropriately embroidered the same as the scrub tops and the lab coat.

The uniform tops, the lab coat, the polo shirt and scrub jacket (if ordered) MUST HAVE THE PROPER EMBROIDERY. Read's Uniforms will know how the embroidery should be handled.

All students beginning nursing courses in Fall 2025 must have their uniforms by the first day of fall semester, August 25, 2025. If you have additional questions, please contact Read's Uniforms for assistance by calling 205-252-8654. Read's will notify you when your uniforms are ready for pick-up at their store location at 608 23rd Street South in Birmingham.

<u>Shoes</u>

Students must have shoes for clinicals that meet the UAB SON dress code. Leather or vinyl shoes (black, white or brown) are required for the uniform (scrubs) and the alternative uniform (polo). Additional information concerning dress code will be provided at your information session. Please direct questions regarding the required uniform or shoes to Dr. Tiffany Ervin (<u>tbervin@uab.edu</u>).

Congratulations on being accepted to UAB nursing school!

We look forward to working with you and getting you your scrubs. All uniforms must be purchased from Read's Uniforms due to embroidering copyright.

Local Students:

We will have a room open in our store just for UAB students. You will try on the scrubs, lab coat, and polo and we will make sure everything fits appropriately based on the UAB Instructor's guidelines. You will order and pay for your scrubs that day. (Cash, Check, or Credit Card)

Please come to our store on the assigned date based on your last name.

- A C Thursday, June 19
- D G Friday, June 20
- H K Monday, June 23
- L Q Tuesday, June 24
- R Z Wednesday, June 25

Read's Uniforms (LeJoy Uniforms is written on the side of the building) 608 23rd Street South Birmingham, Al. 35233

Open from 8:30am – 5:00pm

*If you cannot make it on your assigned day, we will be open Thursday, June 26 & Friday, June 27 for make-up try-on days.

Out of Town Students:

We want to try to make sure you have scrubs you can try on before they are monogrammed. With that being said, please email bham.manager@readsuniforms.net with your name, phone number, and zip code of where you live. Students living within 60 miles of Birmingham, will be asked to still come into the store. Students outside the 60 mile-radius will receive an email with a local store that should carry the items you will need and instructions with how to proceed with what styles to try on and how to call back and order.

*Orders placed after Tuesday, July 1, are not guaranteed to be ready before the beginning of the semester.

Thank you! Read's Uniforms 205-252-8654

Dress Code

BSN Program

This is an excerpt from your School of Nursing handbook (available the first day of nursing school).

A.12 Dress Code and Uniform Policy

Professional attire and appearance are an expectation of University of Alabama at Birmingham School of Nursing (UABSON) students. The pre-licensure dress code policies are in effect for all students unless they conflict with the policies of the individual agency where students are assigned; then the individual agency policies supersede those of UABSON. Students who violate this policy are subject to disciplinary action.

UAB School of Nursing (UABSON) Approved Prelicensure Uniform:

- The UABSON prelicensure nursing uniform consists of SON-approved green pants and top, white, brown, or black pantyhose/stockings or white, brown, or black socks (crewstyle or higher), clean, white, solid dark brown, or solid black, low heeled, closed-toe, closed-heel, non-slip, soft-sole, nonpermeable, leather or vinyl shoes, and UAB student photo identification name badge. If a dress or skirt option is selected, the length must be below the knee and worn with white, brown, or black pantyhose/stockings.
- For warmth, a short or long sleeve, at or above the wrist, solid white shirt (crew or V-neck) may be worn under the uniform top. Students may wear a short, green scrub jacket. The jacket must be the same color as the uniform and have the UABSON brand.
- 3. Lab coats are to be worn over the uniform while walking to and from the clinical unit.
- 4. The UABSON alternative uniform consists of SON-approved green polo shirt, with UAB student photo identification name badge, and navy or khaki full-length pants covering the ankle. Clean, white, solid dark brown, or solid black, low heeled, closed-toe, closed-heel, non-slip, soft-sole, nonpermeable, leather or vinyl shoes must be worn with the alternative uniform. Solid white, brown, or black colored socks (crew-style or higher) must be worn.
- Shoes must be impermeable to liquids. Crocs or similar shoes that have holes in the top are not permitted. Open-toed sandals, thongs, clogs, boots, canvas sneakers or meshcovered shoes are not permitted.
- The UABSON brand must be embroidered on the green uniform top and approved polo shirt. If student chooses to wear a green scrub jacket it must also be embroidered with the UABSON brand.
- 7. The UABSON brand and student name must be embroidered on the lab coat.

General Grooming:

- 1. All attire for any clinical/ lab experience must be clean and wrinkle free. Shoes should be clean and in good repair.
- 2. Hair must be neatly groomed and clean. All hair must be pulled back away from the face. Hair must be worn above the collar. If hair is longer than collarbone length, it must be completely secured with an inconspicuous clip or hair tie. Hair should not obstruct face or interfere with patient care. Hair that is secured (e.g. lengthy ponytail) should be fully secured so that it does not come into contact with patient, unit work areas, medications, food, or patient equipment. Headbands can be worn and must be solid black, solid white, solid grey, or solid brown in color and no wider than two inches. No other head wear permitted. No extreme or unnatural colors (such as, but not limited to, red, blue, green, purple) will be permitted. Exposed facial hair greater than ¼ inch that interferes with proper fit of facial mask, or interferes with patient care, is prohibited. Religious head wear or facial hair is permitted.
- Fingernails must be clean, neatly trimmed, and should not extend beyond ¼ inch from the tips of the fingers. No nail polish, artificial or gel nails/tips, or glued decorations may be worn.
- 4. Jewelry: Maximum of two earrings in each ear (stud diameter not past the ear lobe and not greater than ¼ inch in diameter or hoop earrings that maintain complete contact with the ear lobe are permitted). Earrings should be of a plain design without bright colors (e.g. plain silver stud or hoop). Earrings are only allowed in the helix cartilage or lobe of the ear. Dangling earrings and ear stretching items are not permitted. Facial jewelry other than earrings are prohibited but can use skin-colored/clear plugs or retainer in place of jewelry to camouflage piercing. A second-hand wristwatch, approved by UABSON, is required for all clinical activities. No wearable smart technology is allowed in clinical or lab. One plain band on one finger may be worn during clinical activities. The Sigma Theta Tau membership pin, UABSON Lamp of Learning pin, clip on Fitbit/pedometer, and/or medic-alert jewelry may be worn or pinned to your uniform. No other visible jewelry may be worn in the lab/clinical setting (e.g. bracelets, wrist Fitbits, and necklaces).
- 5. Visible tattoos should be covered, if possible, at all times in the clinical and lab settings.
- 6. Personal hygiene (such as bathing/showering and dental/oral hygiene) should be maintained to avoid odors that interfere with patient care. Strong odors of any kind are not permitted including perfume, cologne, after-shave, scented lotion, food, and smoke. Make-up, if worn, must be applied in moderation to promote a professional appearance.
- 7. Undergarments may not be visible and must always provide appropriate coverage.

Competency Lab Information Sheet - BSN Admission

Welcome to nursing school! We look forward to seeing you in the UAB School of Nursing Competency Labs. Below, you will find important information about the supplies you will be using in lab and clinical experiences.

Skills Supplies Packages

A skills supply package is required for coursework.

This purchase includes much more than the initial contents. Additional components, including medication administration supplies, advanced lab equipment, and other items will be distributed throughout subsequent semesters. A list of these supplies will be provided when you receive the skills supplies package.

COST:

The cost of a skills supplies package is \$225. Payment will be made online by using the provided link.

Skills packages may not be purchased used

TO ORDER PACKAGE VISIT:

Monday, June 30, 2025, and will close on Wednesday, August 20, 2025, at Noon.

The link to purchase will open

https://tinyurl.com/CompetencyPack

Latex Allergies

Students with latex allergies are responsible for providing physician documentation of the allergy 4 weeks prior to the semester start.

Documentation should be sent to

or from former students.

SONsimulation@uab.edu. If you do not contact us at least 4 weeks prior to semester start, we may not have the appropriate supplies for you.

Email: SONsimulation@uab.edu

Send any questions to

SONsimulation@uab.edu

Stethoscopes

Students are required to have a dual head stethoscope with a diaphragm on one side and a bell on the other side. *Stethoscopes are not included in the skills supplies package and must be purchased separately*.

If you already have a dual head stethoscope that you can hear well with you do not need to purchase a new one.

Students may purchase a stethoscope through Redding Medical, a School of Nursing partner. Ordered stethoscopes are delivered to the School of Nursing and distributed to students in the first week of lab. *Students are not obligated to purchase from this company.*

See the attached information sheet.

If you order a stethoscope from Redding Medical, your order MUST be placed by July 28, 2025

Reminders

- 1. You will receive an email with your free Parts Kit & Littman Learning app coupons separate from your order confirmation email.
- 2. Your order will be shipped after the deadline date shown on your order form as group order to receive free shipping.
- 3. If you have any questions or issues with placing your order, you may email us at sales@reddingmedical.com or call us at (410) 526-9755.
- 4. For questions regarding pick up please reach out to the organizer of your school sale.

Registration Instructions

BSN Program

UAB uses BlazerNet to make registering for courses easy. Use the following instructions to register for your upcoming classes.

- 1) Sign in to your BlazerNet student portal. <u>www.uab.edu/blazernet</u>
- 2) Click on the **Registration** button on the top banner.

- a. The <u>Time Ticket</u> section tells you when you are allowed to register for classes for the upcoming semester.
- b. The upcoming term(s) will be listed with any holds or other issues that may prevent registration.
- 3) Click Look Up Classes. Choose the correct term and click Submit. Click Advanced Search.

Select Term

Look Up Classes Add, Drop or Withdraw Classes Change Class Options Week at a Glance Student Detail Schedule Registration Status Active Registration Registration History

Course Search Advanced Search

- Choose NUR-Nursing from the scrolling <u>Subject</u> list. Click Advanced Class Search. This will list all courses offered in the School of Nursing that you need for the BSN program.
- 5) You will scroll through the list, clicking the **left side checkbox** for one section of each course on your Program of Study for that term.
 - a. For example, your first semester requires you enroll in
 - i. NUR 301, Introduction to Professional Nursing
 - ii. NUR 302L, Fundamentals of Nursing: Concepts and Skills

- iii. NUR 303L, Basic Competencies for Nursing Care
- iv. NUR 304L, Principles of Pathophysiology and Physical Assessment for Nursing Practice
- 5
- b. You will choose one section (one checkbox) for each of these courses to complete your schedule.
- c. If there is a "0" in the "Rem" (i.e., remaining seats) column, you will not be able to enroll in that section and should choose another section of the same course for registration.

Select	CRN	Subj	Crse	Sec	Cmp	Cred	Title	Days	Time	Cap	Act	Rem
	66608	NUR	100	2D	01	3.000	Student Success in Nursing	TR	12:30 pm-01:45 pm	30	11	19
	66609	NUR	100	2E	01	3.000	Student Success in Nursing	TR	02:00 pm-03:15 pm	30	2	28
	66610	NUR	100	2F	01	3.000	Student Success in Nursing	TR	03:30 pm-04:45 pm	30	0	30

6) Once you have chosen the checkboxes for all courses on your Program of Study upcoming semester, you will click **Register** at the bottom of the screen. Read the <u>Registration Message</u> and click **Continue** if you agree.

- 7) This will redirect you to your enrollment screen "Register, Add or Drop Classes".
 - a. Registration errors may appear and will list the reason for the error (full course, etc.). Please read those error messages carefully to complete your enrollment.
 - b. If no errors appear and you see all classes on your Program of Study listed as ****Web Registered**** under **Status**, your enrollment is <u>COMPLETE!</u>

Miscellaneous Tasks

BSN Program

Please review these links to further assist with your transition to UAB and the School of Nursing.

Parking Permit

https://www.uab.edu/transportation/parking/students-parking

Apply for your parking permit with the Parking and Transportation Services (permits go quickly!).

Housing

On Campus: https://www.uab.edu/students/housing/

Off Campus: https://offcampushousing.uab.edu/

The UAB Office of Student Housing and Residence Life can assist with housing both on and off campus.

UAB Email

What is the connection between my BlazerID and @uab.edu address?

The BlazerID is the username (i.e., the part before @) portion of your uab.edu address. When you register your BlazerID, you are given the option of designating a mailbox or setting up a UAB email account where you would like to receive your mail. After that, when someone sends mail to your @uab.edu address, it will be automatically forwarded to that mailbox. You can reroute this forwarding at any time:

- 1. Go to uab.edu/blazerid
- 2. Click "Change Email Preferences"
- 3. Click "Change Forwarding Preferences"
- 4. Click "Get a UAB managed mailbox and forward to it"

One Card

BSN Program

A <u>One Card</u> (student ID) is required for all students.

1. Follow these instructions to submit your ID photo online:

https://campuscard.uab.edu/bbapps/photosubmit/

- a. You will receive a confirmation email when your photo is approved.
- 2. We will pick up your ID for you! Submit this form letting me know you have submitted your photo and received your confirmation email:

https://forms.office.com/r/hfTDx64x8D

 I will bring One Cards to the Information Session (June 18) and to Orientation (August 20) for you to pick up.

To receive your One Card <u>June 18</u>, submit your photo and this form by **Friday**, **June 13 at 5:00pm**.

To receive your One Card August 20, submit your photo and this form by Friday,

August 15 at 5:00pm.

^{*}If you already have a One Card (current/former UAB students or employees), you <u>do not need</u> a new One Card!

You may also pick up your One Card at One Stop in the Hill Student Center on your own time if preferred.

Financial Resources

BSN Program

Tuition and Fees

We recommend using the tuition and fees section on the program website and the Program of Study in this packet to estimate your cost by semester: https://www.uab.edu/nursing/home/academics/undergraduate/bsn

Additional UAB institutional fee information is available here: <u>https://www.uab.edu/cost-aid/cost/detailed-tuition-fees</u>

Financial Aid and Scholarships

Explore your financial aid options with UAB's Office of Student Financial Aid.

UAB Financial Aid and Scholarships: https://www.uab.edu/cost-aid/types-of-aid

School of Nursing Scholarships: <u>https://www.uab.edu/nursing/home/scholarships-financial-aid</u>

As an institution, one goal that UAB has is to ensure that students have access to the best health care available. With this in mind, there are a few updates that we have regarding Student Health Insurance at UAB.

Effective fall 2018, UAB's Student Health Insurance Plan (SHIP) is provided by United HealthCare. This product offers the best available protection at a very competitive price. The plan includes preventive services and unlimited lifetime maximums for medical and prescription coverage. This plan provides access to a national network of preferred providers in all 50 states which allows students to have the same level of protection wherever their studies or life might take them as students of UAB. Below is a summary of the product:

Annual Premium:	\$3126.00 (2024-2025)
Deductible:	\$250 (2024-2025)
Maximum Out of Pocket:	\$4000 for individual (2024-2025)

UAB is happy to present this new product and looks forward to this partnership with United HealthCare to provide the best possible coverage available.

Insurance Waiver

UAB has also worked to improve the Insurance Waiver process to make this easier for students. If you are an undergraduate student registered for 9+ hours, a graduate student in a program that requires insurance, enrolled in a clinical program, or an international student, you will be automatically enrolled into the SHIP. The cost of the premium for the semester will be added to your student account and you will receive information regarding your benefit.

If you have **private healthcare coverage** that meets the waiver criteria, you can submit an insurance waiver online through an encrypted URL in BlazerNet. Once waivers are received and validated, you will not be enrolled in the SHIP and the charge will not be posted or will be removed from your account. To ensure you are not charged for the coverage if you do not need it, please submit your waiver online by the fall priority submission deadline in July 2025 (specific date to be listed here: <u>https://www.uab.edu/students/health/insurance-requirements/waivers-and-enrollment</u>).

Please visit the UAB Student Health and Wellness Insurance and Waivers webpage for more information on the United HealthCare product or guidance on submitting an Insurance Waiver request.

Insurance Requirements: <u>https://www.uab.edu/students/health/insurance-requirements</u> Insurance Waivers: <u>https://www.uab.edu/students/health/insurance-requirements/waivers</u>

UAB Student Health Services 1714 9th Avenue South Birmingham, AL 35214 205-934-3580 studenthealth@uab.edu

Dear Health Professional Students:

In the interest of maintaining and promoting good oral health and educating health professionals about the dental needs of their patients, the University of Alabama at Birmingham provides a dental healthcare program which is pre-paid through a fee for students enrolled in the Schools of Dentistry, Medicine, Nursing, and Optometry.

Oral disease such as cavities and periodontal disease, as well as other acute dental issues, should be addressed prior to entering your program at UAB, if at all possible. Upon matriculation, you may schedule an initial oral health screening appointment at our campus facility by emailing the program coordinator. It should be noted that any pre-existing conditions found during the initial screening will be your financial responsibility. After pre-existing conditions are treated, the only cost to you for treatment covered within the plan is the modest program fee.

You may opt out of the service by completing the electronic dental waiver in BlazerNET. You will find the waiver under Links/Forms from the homepage. You must upload proof of dental insurance before submitting the waiver.

If you choose to utilize the Student Dental Health services, you may email the program coordinator to schedule an appointment.

A more complete explanation of the Student Dental Health Program will be provided to you at the time of your orientation.

We are looking forward to meeting you and to a cooperative and beneficial relationship as we serve your individual dental needs. If you have any further questions and/or would like to schedule an appointment, please feel free to contact our program coordinator Debbie Watford at angela64@uab.edu.

Sincerely,

Charles H

Charles Banks, DMD Director, Student Dental Health Program

Applicable Academic Policies

- 1. The minimum total credit hours required for the graduation with the BSN degree is 126 hours with a cumulative grade point average of at least 2.0 (C) in all credit hours attempted at all institutions attended and an average of at least 2.0 (C) in all credit hours attempted at UAB.
- 2. All upper division nursing courses require a minimum of a "C" to pass the course and progress to the next semester.
- 3. A student is allowed 2 attempts in NUR coursework. An attempt is a course pass, failure or a withdrawal.
- 4. Following a second failure or withdrawal, a student is ineligible to progress in the nursing program.
- 5. A course failure or withdrawal in more than one course in the same term would result in dismissal. NOTE: Students will not be penalized from having to withdraw from co-requisite coursework.
- 6. If a student's enrollment is interrupted or he/she is unable to complete a course on the first attempt, the student must apply for reinstatement or readmission by the deadline with the understanding that the request will be granted on a space available basis.

I am aware that the Undergraduate Student Handbook is located on the School of Nursing website at <u>www.uab.edu/son/undergrad.htm</u>.

Nursing Honors Course Options

BSN Program

The School of Nursing offers one course in most semesters designated as honors, so UAB Honors College students have the option to use nursing coursework to fulfill Honors College requirements. Honors College students can earn up to 15 hours of honors credit by enrolling in the nursing honors class sections.

The following courses in the BSN program will have an honors section available:

Semester I: NUR 301 – Introduction to Professional Nursing (3 credits) Semester II: NUR 330L – Public Health and Care of the Community (4 credits) Semester IV: NUR 417 – Nursing Informatics and Healthcare Technology (3 credits) Semester V: NUR 422 – Leadership and Role Transition (2 credits) Elective: NUR 401 – Caring for America's Heros (3 credits)

We request you identify yourself as an Honors College student during the information session, so we can project future nursing honors course offerings. We will use the information to communicate with you about the availability of nursing honors courses in the future. Please email your name and contact information to Dr. Sarah Gallups (<u>snfraze@uab.edu</u>), after the information session.

Once you identify yourself as an Honors College student, we will keep your name on a roster and contact you each semester to obtain your plan for enrolling in the upcoming honors nursing sections of the designated courses.

Dr. Gallups can address questions you have about the nursing honors courses.

Honor Code

BSN Program

SCHOOL OF NURSING GENERAL POLICIES AND PROCEDURES

Student Honor Code Preamble

The SON, as a unit of UAB, exists to educate its students; to advance, preserve, and disseminate knowledge through research and scholarship; and to advance the interests and the welfare of society as a whole. Students, faculty, and administration represent the three integral parts of the academic community; they share responsibility for the proper functioning of the institution in the pursuit of its educational goals.

As members of the academic community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Free inquiry and free expression are indispensable to the attainment of the goals of the university. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to teach and to learn depends upon appropriate opportunities and conditions in the classroom and throughout the overall campus community.

In order to insure these rights and freedoms, both the university as an institution and the members of the academic community are obligated to insure orderly operation by prohibiting actions that interfere with the achievement of goals or violate the rights of others. This obligation is met by initiating disciplinary action when either academic or nonacademic behavior adversely affects the mission of the university.

The SON seeks to nurture the development of a strong sense of integrity and of ethical behavior among its students. The faculty and administration ultimately have responsibility for and authority over academic and disciplinary actions concerning nursing students, subject to the policies of UAB and any applicable civil or criminal statutes.

Statement of Student Honor Code

Student conduct is the practice of personal and professional integrity and thus respects the dignity, rights, and property of self, other students, faculty, staff, clients/patients, and visitors on University property and on non-University property used for nursing students' educational experiences. Student conduct affects the University and the School, the members of the UAB academic community, and the fulfillment of the University and School's mission.

Given the nature of ethical issues in health care, the faculty and administration of the SON believe that it is important to develop the highest ethical standards among students at all levels in the school. The SON expects a higher standard of conduct than the minimum required to avoid disciplinary action. A student honor code is used in the School. Students are informed about the honor code upon admission to the SON. Each student is required to abide by the code.

Student Honor Pledge

The student honor pledge reads as follows:

I pledge that I will not at any time be involved with any acts of academic or nonacademic misconduct while enrolled as a student at the SON, UAB. I have read the Student Honor Code which explains disciplinary procedures that will result from the aforementioned. I will abide by the Student Honor Code as a condition of admission to the SON. I understand that violation of this code could result in penalties as severe as indefinite suspension or expulsion from the SON.

Definitions from UAB

Abetting: helping another student commit an act of academic dishonesty. Allowing others to copy your quiz answers, or use your work as their own are examples of abetting.

Administration: any person employed by the School or University to perform administrative duties. Aiding and abetting academic or nonacademic misconduct: intentionally or knowingly helping or attempting to help another student commit an action of academic or nonacademic misconduct. Appeal: a resort to a higher authority for the purpose of obtaining a review of a lower authority's decision, a reversal of the lower authority's judgment, or the granting of a new hearing.

Cheating: use or attempted use of unauthorized materials, information, study aids, the answers of others, or computer-related information.

Client/patient: any person or group of persons receiving nursing care.

Community: clients/patients, their families, and health care providers in clinical settings or students, faculty, staff, and guests of the University and academic community.

Due process: "fundamental fairness" Substantive due process--rules are fair; i.e., rationally related to a legitimate goal of that evidence.

Fabrication: presenting as genuine falsified data, citations, or quotations.

Misrepresentation: falsification, alteration or misstatement of the contents of documents, academic work, or other materials related to academic matters, including representing work substantially done for one class as work done for another without receiving prior approval from the instructor. Misrepresentation also includes misrepresenting schedules, prerequisites, transcripts, or other academic records.

Non-University agency: any agency which has a verbal or written agreement with the SON to provide learning experiences for students.

Plagiarism: claiming as your own the ideas, words, data, computer programs, creative compositions, artwork, etc., done by someone else. Examples include improper citation of referenced works, use of commercially available scholarly papers, failure to cite sources, and copying others' ideas.

School: The SON, at UAB.

Staff: any person employed by the School or the University to provide support services.

Student: any person officially enrolled in courses offered by the SON, whether he or she is classified as a degree-seeking student or a special student. All persons pursuing undergraduate or graduate degrees, whether full time or part time, are considered students. **University:** UAB.

Student Honor Code Violations

Allegations of an Honor Code Violation will follow the appropriate steps and procedures for Academic Misconduct and Grievance Procedures.

Standards of Professional Behavior

- Attentiveness The student regularly attends class and other required courserelated activities which include, but are not limited to, lab, clinical, seminar. All extended absences are for relevant and serious reasons and approved, where applicable, by the appropriate authority. The student is consistently on time for classrelated activities and stays until the end of the activity. The student is alert during the activity and demonstrates attentiveness by taking notes, asking appropriate questions, completing assigned activities.
- **Demeanor** The student has a positive, open attitude towards peers, teachers and others during the course of nursing studies. The student maintains a professional bearing in interpersonal relations. The student functions in a supportive and constructive fashion in group situations and makes good use of feedback and evaluations.
- **Cooperation** The student demonstrates his/her ability to work effectively in large and small groups and with other members of the health team, giving and accepting freely in the interchange of information.
- Maturity The student functions as a responsible, ethical, law-abiding adult.
- **Inquisitiveness** The student demonstrates an interest in his/her courses and curricular subjects, demonstrating individual pursuit of further knowledge.
- **Authority** A student shows appropriate respect for those placed in authority over him/her both within the University and in society.
- **Responsibility** The student has nursing school performance as his/her primary commitment. Student to student and student to faculty academic interchanges are carried out in a respectful, reliable and trustworthy manner.
- **Personal Appearance** The student's personal hygiene and dress reflect the high standards of a professional nurse.
- **Communication** The student demonstrates an ability to effectively communicate verbally, nonverbally, and in writing with peers, teachers, patients, and others.
- **Professional Role** The student conducts self as a professional role model at all times and in compliance with ANA Standards of Practice and the Alabama State Board of Nursing Rules and Regulations regarding professional conduct.
- **Judgment** The student shows an ability to think critically, reflecting on his/her ability to make intelligent decisions in his/her personal and academic life.
- Ethics The student conducts self in compliance with the ANA Code of Ethics.
- **Moral Standards** The student respects the rights and privacy of other individuals and does not violate laws of our society.

Pre-licensure Core Performance Standards for Admission and Progression

Nursing education requires the acquisition of academic knowledge, clinical and specialized communication skills as well as professional attitudes and behaviors. All pre-licensure degrees certify that the student has acquired the broad base of knowledge and skills required for entry into professional nursing practice. This foundational education includes both academic and professional nursing courses that provide a base for clinical competence and informed judgements about health and patient care in a variety of settings. Since the treatment of patients is an essential part of the educational program, the University of Alabama at Birmingham School of Nursing (UABSON) must act to protect the health and safety of patients.

Candidates for any pre-licensure degree must have skills and abilities in ten core performance standards with or without reasonable accommodations. These ten standards include, but are not limited to, the following skills and abilities (bulleted examples included, not all-inclusive):

- 1. Critical Thinking: Critical thinking ability sufficient for clinical judgment.
 - Identifies safety issues in clinical situations
 - Identifies cause/effect relationships in clinical situations, develops, evaluates, and revises nursing plan of care
 as appropriate
 - Has the ability to make safe judgments when planning and implementing all psychomotor nursing prescriptions
 - Manages multiple priorities in stressful situations
 - Responds instantly to emergency situations
 - Exhibits arithmetic competence that would allow the student to read, understand and perform accurate calculations for computing medication dosages and intravenous flow rates
- 2. <u>Interpersonal</u>: Interpersonal abilities sufficient to interact with individuals, families, and groups from a variety of social, emotional, cultural, and intellectual backgrounds.
 - Establishes appropriate rapport with clients and colleagues
 - Has the ability to work in groups on course activities
 - Maintains therapeutic relationships with clients and colleagues
 - Respects the rights of others
 - Works effectively in small groups as a team member and as a team leader
 - Practices therapeutic communication
 - Recognizes and attempts to resolve adverse events for both clients and colleagues
- 3. **Communication:** Communication abilities sufficient for interaction with others
 - Communicates effectively so as to be understood by the general public
 - Has the ability to complete written assignments, participate in classroom discussion/activities, and complete group projects
 - Does not make disruptive interruptions in class
 - Communicates therapeutically with clients, families, and groups in a variety of settings
 - Documents client data and nursing care completely and accurately
 - Provides health teaching information for clients, families, and/or groups based on assessed needs, available resources, age, lifestyle, and cultural considerations
 - Has the ability to use a variety of computer programs and platforms
 - Must be able to give and receive constructive feedback, process feedback, and utilize it to conform behavior to
 expected professional standards

- 4. <u>Physical Mobility</u>: Ability (with or without assistive devices) sufficiently move from room to room and maneuver in small spaces. Maintains physical tolerance for repetitive movements and demands of the work assignment.
 - Able to attend and participate in class
 - Has the ability to push, pull and/or lift a minimum of 30 lbs. of weight
 - Has mobility and stamina sufficient to function for up to a 12-hour clinical experience in various settings
 - Lifts, moves, positions, and transports clients without causing harm to client or self
 - Has the ability to move around client's room, work spaces and treatment areas, in all clinical settings
 - Has the ability to stoop, bend, squat, and reach overhead as required to deliver care safely in emergent and nonemergent situations
 - Performs cardiopulmonary resuscitation according to recommended procedures and professional standards
- 5. <u>Gross and Fine Motor Skills</u>: Gross and fine motor abilities (with or without assistive devices) sufficient to provide safe and effective nursing care.
 - Performs physical activities necessary to accomplish nursing skills, including but not limited to: putting on sterile gloves, donning mask and gown, operating a manual and electronic blood pressure cuff, using sterile technique and performing essential client care
 - Performs correct hand washing technique
 - Provides or assists with activities of daily living
 - Administers all routes of medications to maintain client safety
 - Has the ability to use computers and other electronic devices
 - Performs electronic keyboarding/documentation and/or extensive writing
 - Calibrates and uses equipment correctly (e.g. syringes, vials, ampoules, medication packages)
 - Has the gross and fine motor ability to grasp small objects (e.g. IV tubing, syringe, dropper)
- 6. Auditory: Auditory ability (with or without assistive devices) sufficient to monitor and assess health needs
 - Has the ability to monitor alarms, emergency signals, and cries for help
 - Has the ability to distinguish changes in tone and pitch for example when monitoring a client's respirations, cardiac, and abdominal auditory characteristics when using a stethoscope
- 7. Visual: Observation ability (with or without assistive devices) sufficient for assessment and intervention
 - Has the ability to observe audio-visual aids and client, peer, and faculty responses.
 - Has the ability to read medical documents; identify small calibrations on sphygmomanometers, syringes, and thermometers' observe patient responses to interventions or health problems; and detect color changes.
 - Performs nursing skills such as inserting urinary catheters and IV devices, counting respirations, and preparing or administering medications.
 - Has the ability to discriminate colors, changes in color, size, and contour of body part
 - Has the ability to identify, prepare, and administer medications accurately and safely by all routes
- 8. Tactile: Tactile ability sufficient for physical assessment
 - Performs palpation functions correctively for physical examination and therapeutic interventions such as pulses, temperature, texture, firmness, softness, and physical landmarks
- 9. Behavioral: Emotional stability sufficient to tolerate rapidly changing conditions and environmental stress
 - Establishes therapeutic interpersonal boundaries
 - Provides clients with emotional support
 - Has the ability to focus in clinical settings when the environment is disruptive and distracting

- Adapts to stressful situations and changing environments while maintaining professional conduct and standards without displaying hostility, agitation, rudeness, or belligerence
- Poses no threat to the health and safety of others
- Performs potentially stressful tasks concurrently
- 10. Professional Behavior: Behave in a respectful, ethical and professional manner with others
 - Interacts respectfully with peers, faculty, superiors, clients, and families
 - Strives to provide quality client care
 - Applies knowledge and clinical reasoning
 - Reflects on own behavior and clinical performance with clients; engages in self-evaluations
 - Has the ability to interact with peers and colleagues appropriately
 - · Has the ability to collaborate with clients, families, and others in nursing situations
 - Integrates ethical behavior in nursing practice
 - · Performs activities safely, so as to not injure or harm others or self
 - Recognizes that all students represent the nursing profession and must behave accordingly
 - Respects and adheres to the policies and procedures of the School of Nursing and clinical agencies

Application for Accommodation After Matriculation:

The UAB School of Nursing will provide reasonable accommodations to qualified individuals with approved accommodation(s). In order to request accommodations, students must contact the <u>UAB Office of Disability Support Services</u> and follow the registration process. UABSON faculty collaborate with Disability Support Services within the scope of the core performance standards to establish reasonable accommodations. Throughout a student's career, the UABSON will work with the student and DSS to ensure accommodations are reasonably facilitated and maintains safety for the student and patient according to DSS guidelines.

BIRMINGHAM VETERAN'S AFFAIRS MEDICAL CENTER AND THE UNIVERSITY OF ALABAMA AT BIRMINGHAM SCHOOL OF NURSING

VA NURSE SCHOLARS PROGRAM

"CARING FOR AMERICA'S HEROES"

Would you like to become a part of an exciting program offered by the Birmingham Veteran's Affairs Medical Center (BVAMC) and the University of Alabama at Birmingham School of Nursing (UABSON) to learn to care for America's heroes? If so, the BVAMC and UABSON are accepting applications for the **VA Nurse Scholars** program for the Fall 2025. The <u>deadline</u> for applications is Friday, July 25, 2025. Interviews for the VA Scholars Program will be scheduled in mid-August. Please see attached application.

As a participant of this program, you will have exciting educational and leadership opportunities that are unique to being a part of this program including:

- Learning to provide nursing care to America's true heroes our veterans
- Eligible for employment as a **Student Nurse Technician** at the BVAMC, if desired, after completion of all first semester courses
- Progressing through nursing school as a group with other VA Nurse Scholars making friendships that last a lifetime
- Having most clinical experiences, with the exception of pediatrics and obstetrics, at the Birmingham VA Medical Center.
- Experience with state-of -the-art equipment at the UABSON and BVAMC including practice with high fidelity simulation manikins, computerized charting and computerized medication administration.
- Having a VA based faculty member as your advisor and mentor
- Involvement in the VA Quality Scholars program to help improve the quality of health care for veterans
- Upon completion of the VA Nurse Scholars program and graduation from UABSON, participants will be eligible for employment at ANY VA facility, including the BVAMC. The VA system has excellent employee benefits including initial salary recognizing the BSN degree.
