

**UNIVERSITY OF ALABAMA AT BIRMINGHAM  
SCHOOL OF NURSING**

**Position Description  
PATIENT CARE TECHNICIAN – PATH CLINIC  
PART-TIME 20 HOURS/WEEK  
(UAB Recruitment Services Site Number) #T224712**

**SUMMARY:**

Under general supervision, and according to established policies and procedures, performs clinical procedures to support health practitioners for the PATH Clinic. Prepares patients for treatment; assists with completion of treatment/protocols; maintains exam room and point of care inventories. Performs simple, non-invasive patient procedures including point of care testing. Will perform venipuncture. Performs control testing and maintains all required records for point of care devices. Performs medical charting and recordkeeping. May perform clerical duties such as typing. Interpret data to generate detailed reports and assist in monitoring departmental budgets. Interfaces professionally with outside resources including patients, students, faculty, and other professionals. Discretion with knowledge of HIPAA policies and procedures is fundamental for this role. The direct reports for this individual are to the Lead Nurse Practitioner and the Clinic Manager.

**RESPONSIBILITIES:**

1. Provide clinical support to the PATH Clinic and the Clinic Manager including taking medical histories, vital signs, point of care testing including venipuncture, preparing patients for exams, and assisting physician/nurse practitioners during exams.
2. Collect and prepare lab specimens, will perform laboratory tests and dispose of contaminated supplies.
3. Maintain records for point of care laboratory devices.
4. Responsible for arranging and preparing examining rooms' equipment and instruments.
5. Performs medical charting, recordkeeping, typing, and other clerical needs.
6. May update medical records, answer phones, schedule appointments, and FAX medical records.
7. Assures PATH Clinic compliance with all UAB regulations, including HIPAA and privacy issues.
8. Performs other related duties as directed to support the mission of the IPCP model at the PATH Clinic.
9. Ethical conduct is a fundamental expectation for every UAB community member. All employees must abide by the standards of behavior outlined in the UAB Enterprise Code of Conduct. Upon hire new employees are required to attest to the Code by completing the online training that is assigned to them. Behaviors inconsistent with the Code may result in appropriate consequences.

*UAB is an Equal Employment/Equal Educational Opportunity Institution dedicated to providing equal opportunities and equal access to all individuals regardless of race, color, religion, ethnic or national origin, sex (including pregnancy), genetic information, age, disability, religion, sexual orientation, gender identity, gender expression, and veteran's status.
