How to Register for classes using CRN's

**1.** On BlazerNET, click on the "**Registration**" link located on the green ribbon above your profile picture

2. Click "**Add, Drop, or Withdraw from Classes**" link (located at bottom of web page)

3. Find the empty text boxes located under the green ribbon titled "**CRN**". See picture below:

Add Classes Worksheet

CRNs

Submit Changes   Class Search   Reset

4. Type **5-digit CRN** in an empty box. One set of #'s/box.

5. S**UBMIT CHANGES**

AFTER all sets of CRN's are entered.

6. "Web Registered" means class was successfully added to your course schedule.
