

▶▶ Registering with Schedule Planner

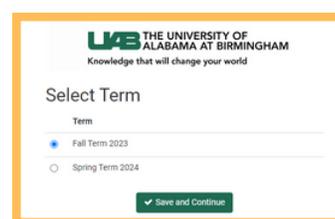

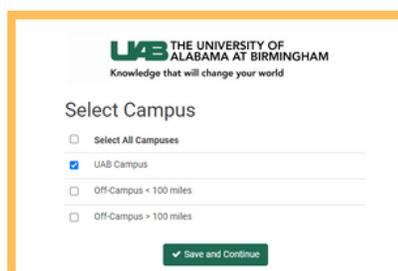

- 1 Go to BlazerNET, sign in, and select "Enter BlazerNET."
www.uab.edu/blazernet

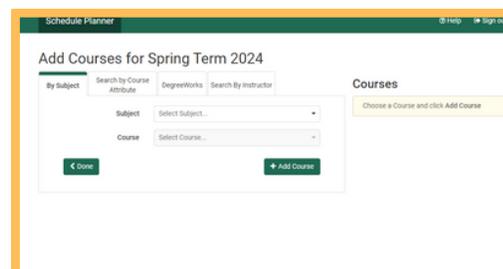

- 2 Select "Schedule Planner" from the list of items to the right of your profile picture.
 - Beforehand, check for course availability under the "Registration" tab.

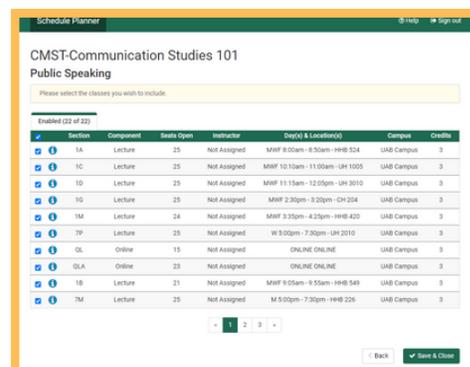

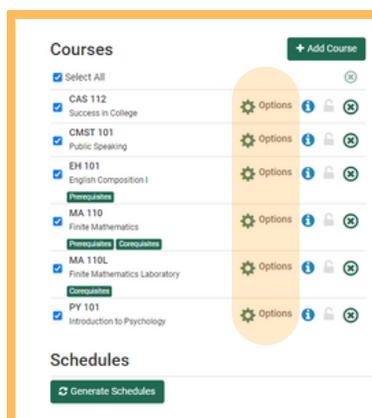

- 3 Select 'UAB Campus' and de-select off-campus options. Next, select the term that you are planning to register for.

- 4 Add each individual course on your list.
 - Search by subject or attribute.
 - Select and click "add course" for each class.
 - Click "done" when finished.

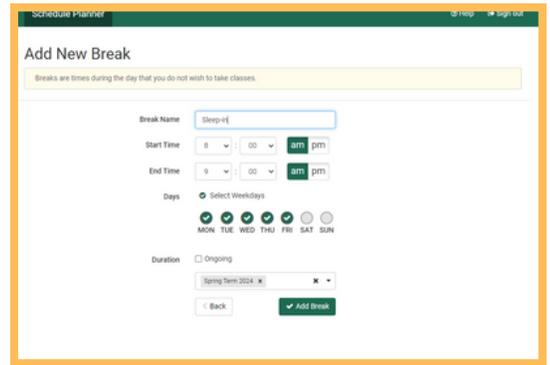

- 5 Select 'options' next to each course to view individual sections.
 - You can de-select any options you do not want
 - Save & Close
 - Repeat the steps above for each course
 - De-select any honors courses if applicable

6

Add breaks (optional).

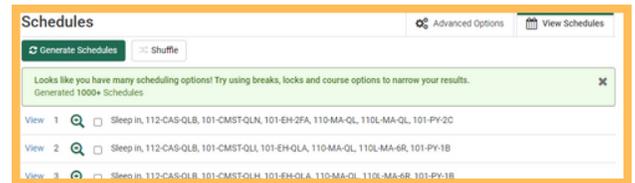

- This is if you need to block off any specific times for work or other obligations.
- Each break must have a name.

7

Generate Schedules to see all the conflict-free scheduling options.

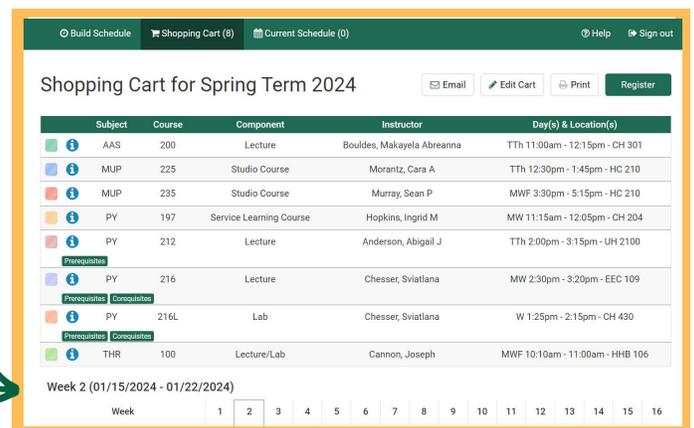

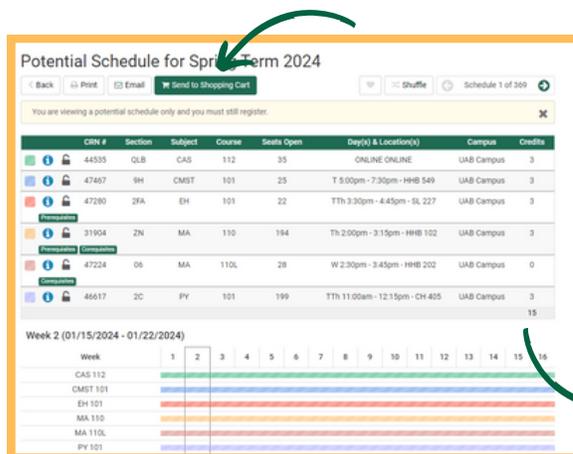

- Click 'view' to see a detailed schedule.
- Review each schedule to find one that you like.

8

Register

- Once you find a schedule that you like, click "send to shopping cart."
- Click "register" on the next page!

9

Make Adjustments:

If the class you selected is full, check other course options in BlazerNet or Schedule Planner.
